Chelan, WA December 9th, 2015: Guy Evans, the General Manager of The Chelan Lookout, has been elected the new president of the Chelan Chamber of commerce. Guy is a fifth-generation native to Lake Chelan and works tirelessly to make the Chelan community a better place. When not promoting the Lake Chelan lifestyle at either The Lookout or on behalf of the chamber, Guy is also the President of the Lake Chelan Trails Alliance. For the past decade, Guy worked with his father on the Sunshine Farm and helped establish and build the Tunnel Hill Winery. As the newly elected President of the Chamber, Guy looks forward to doing everything he can to enhance the quality of life in the Chelan area.

Guy met Casey Roloff in 2008, with the idea of bringing the spirit of the Seabrook development lifestyle to the Chelan Valley. The dream became a reality in 2012 with the birth of The Lookout, which encompasses Guy's great-grandfathers original farm. In his free time Guy enjoys skiing, hiking, running, supporting his church, and spending time with his daughter Jessie.
