Happy customer Mary Stephens stated, ?Moreira's made it easy to order a roll-off dumpster. One phone call, and they will send you a link to an online form to fill out- so easy! I ordered a 20-yard dumpster for a long overdue house, garage, and yard clean out/ declutter. When Roberto "The Driver" arrived, he explained how to fill the dumpster and how the door works. Roberto lowered the dumpster down on my concrete driveway, exactly where I wanted it, so gently as not to damage my driveway or anything! Delivery and pickup are prompt. Moreira's are good people who really care about their customers! They also have fair prices. I will always be using them!?
