July 24, 2023 - PRESSADVANTAGE -

Las Vegas-based full-service mobile locksmith Fixed Rate Locksmith is providing local vehicle owners car key duplication services to help them get back on the road.

Lost, damaged, or malfunctioning car keys are a major hassle, especially when the owner relies on their vehicles to get to work, go to school, or run important everyday errands. Moreover, getting a replacement car key from the dealership takes time and may not be possible if one is stranded at home or on the side of the road. With Fixed Rate Locksmith's mobile locksmith services, regardless of where Las Vegas residents are, they can get the help they need to get back to their busy schedules.

"If you are the kind of person who misplaces important things, don't fret because you are not alone," says Or Shalmiyev from Fixed Rate Locksmith. "It is very easy to lose track of your items when you are distracted or under stress. Even if you are careful with your keys and never lose them, the keys themselves might get damaged over time due to regular wear and tear. Regardless of why you can't get into your vehicle, you can

always rely on Fixed Rate Locksmith to get you out of a sticky situation. Our emergency lockout services are the quick and convenient solution you need if you ever lose your keys or they stop working.?

Fixed Rate Locksmith offers mobile locksmith services in Las Vegas, South Summerlin, Enterprise, Paradise, Henderson, and surrounding areas. They arrive at the customer's location with a fully equipped truck that has all the tools and materials needed to make replacement car keys on the spot for a wide range of makes and models. The company's locksmiths can also make duplicate car keys for other members of the family or employees at a business.

The company's technology can replicate keys, fobs, and remotes for domestic vehicles including Lexus, Infiniti, Jaguar, Ford, GM, Chevrolet, Cadillac, and more. Fixed Rate Locksmith also serves customers with foreign car models such as BMW, Mercedes, Benz, Audi, and Land Rover from Europe, Toyota, Nissan, and Mazda from Japan, and Hyundai and Kia from South Korea.

?Car keys come in many different types and feature sets,? says Or. ?Keys can be edge-cut, side-cut, chipped, intelligent, smart, and more. At the same time, you can have remote head keys, key fobs, transponder keys, prox keys, and keys using a host of other technologies. Each brand and car model has keys built in line with their own unique security protocols. In any case, here at Fixed Rate Locksmith, no car key is impossible to replace. With just one call, we will be on our way. We also offer a 30-day warranty on parts and a 60-day warranty on labor.?

Fixed Rate Locksmith has earned the trust and admiration of hundreds of customers in the Las Vegas area by rushing to help them in their time of need. The company's Google Business Profile reflects this sentiment as it has a perfect 5.0 out of 5.0 rating from over 370 reviews where customers praise Fixed Rate Locksmith's prompt response times, knowledgeable locksmiths, and affordable pricing.

A recent review says, ?Fast, very responsive, and courteous service at a reasonable cost. We needed two commercial locksets replaced with different keyways and six keys. Everything was done on-site from his service vehicle including key production in a little under 1 hour. Would 100% recommend them and use them again in the future.?

Another customer writes, ?He assisted me in a jam when I locked my keys in my car at the gas station. He also showed up quicker and cheaper than all of the other locksmiths I called in the area. In fact, he showed up 5 minutes earlier than he estimated. He turned a potential 7-hour problem into a 25-minute quick fix. I would highly recommend his services!!?
