January 02, 2024 -
Pacific Truck Colors, a one-stop fleet shop based in Portland, Oregon, is offering local vehicle owners high-quality graphics and wrap design and installation services for both cars and trucks.

Advertising on the side of a vehicle is one of the most cost-effective forms of marketing that small businesses can opt for. With Americans driving over 300 miles on average every week, having a brand?s identity emblazoned on cars or truck fleets with striking decals, graphics, and full vinyl wraps offers businesses unrivaled visibility, especially for how much it costs. For brands and entrepreneurs in Portland who want to benefit from vehicle wrap marketing?s high return on investment, Pacific Truck Colors offers a complete solution to get started.

?By some industry estimates,? says the spokesperson for Pacific Truck Colors, ?you can generate anywhere from 30,000 to 80,000 impressions per day with vehicle wraps. It is a conspicuous form of marketing that is almost unavoidable, takes very little to set up, and can very easily overshadow other forms of marketing in

terms of reach and impact. At Pacific Truck Colors, we have both the vehicle wrap design and installation expertise needed to make sure your marketing dollars are put to good use. Call us today and let our experienced team help you craft an iconic design to impress your local customers.?

Pacific Truck Colors can help create and install everything from simple car door logos to full-coverage truck wraps. The company uses only the highest-performance media and materials that are specifically created for use in vehicle wraps. It serves clients of all sizes, from hobbyists who want small decals or vinyl lettering on their personal vehicles to companies who want to revitalize their entire fleet of trucks.

?We have decades of experience under our belt working with the latest and greatest in vehicle wraps,? the spokesperson adds. ?Our streamlined process starts from the initial design consultation, and we will be with you all the way to when the graphics are installed. Our design team is also adept at crafting graphics that are suited for the medium ? bold and eye-catching logos interspersed with just the right amount of text to make them memorable. Our designers understand vehicle wrap marketing to the highest degree, ensuring that your fleet of vehicles grabs attention and drives traffic to your business.?

Pacific Truck Colors is an employee-owned local business that began operations with just 5 employees in 1992. Today, the company boasts a fully equipped state-of-the-art facility spread over 27,000 sq. ft., two paint booths, and over 30 employees ready to serve clients with a range of needs including truck customization, van customization, car wraps, paint, parts & service, collision repair, and more.

Portland residents have time and time again recommended the company?s services in their 5-star testimonials. Pacific Truck Colors has an impressive overall rating of 4.5 out of 5.0 on its Google Business Profile from over 20 reviews with clients noting the professionalism of its employees, high work quality, and affordable pricing.

One customer writes, ?10 years ago, I got my first service van painted by these guys. The professionalism and top-notch quality that they performed helped set our business apart from my competitors. I recently just went back and had that same van stripped of the graphics, buffed out the paint a little bit, reapplied graphics and it looks like brand new again. These guys are super professional, and honest, and stand behind their work. Thank you, Troy and Kent!?

Another reviewer says, ?Amazing crew of people there, Kent was easy to deal with and very professional. They did exactly what I wanted. Exceeded my expectations and kept me on budget with my build. I will be back to have them do more work on my truck. I won?t trust anyone else. They wired up some auxiliary lighting and did a fantastic job.?
