Home Construction and Renovation Company Expanding Service Area to Include the Greater Coachella Valley of California

May 28, 2024

PALM DESERT, CA - May 28, 2024 -
Sol Cal Construction, a home construction and renovation company based in Palm Desert, CA, is happy to announce they are expanding their service areas to include the Greater Coachella Valley region of California including Coachella, Palm Springs, La Quinta, and Palm Desert, among others. They want to emphasize that they are offering expert craftsmanship and attention to detail that has distinguished them from other home construction providers in the area. More about Sol Cal Construction can be gleaned by visiting their website.

Loren Bose, owner of Sol Cal Construction, says, ?We are a home remodeling contractor who is approachable, reliable, and committed to delivering outstanding services. Our licensed and trusted company takes pride in ensuring quality, reliability, and professionalism in everything we do. Count on us to answer all your questions and deliver on our promises.?

Loren Bose adds, ?We understand that every home remodeling project comes with its own set of unique challenges. That's why we offer expert project management services to ensure your project is completed on-time, on-budget, and to your satisfaction. Our team will work closely with you to define the scope of work,

create a detailed budget, and develop a comprehensive design plan that meets your needs and exceeds your expectations.?

There are a number of factors that make the kind of home construction and renovation service provided by Sol Cal Construction distinctive from other similar providers. Aside from their expert craftsmanship and careful attention to detail these include: their dedication to the make the client?s vision a reality; readiness to serve the needs of clients at any time; provision of creative and innovative solutions for any project; attention to the client?s specific preferences and style; inclusion of design and planning; and provision of a team of experienced professionals who are knowledgeable regarding all aspects of the remodeling process.

To know more about the kind of work that they provide, those who are interested can visit their website and check out their portfolio of completed Sol Cal Construction projects. Their services include home remodeling, bathroom remodeling, kitchen remodeling, and outdoor living projects. With more than 10 years of experience, their team is committed to making the dream home of clients a reality, from small repairs and renovations to full-scale expansions and redesigns.

They also provide comprehensive bathroom remodeling services, including major bathroom renovations, including full gutting and replacing fixtures, cabinetry, countertops, plumbing systems, flooring and walls. They also handle smaller projects including changing out vanities or lighting fixtures, updating tile or shower doors, and adding custom features such as towel warmers and heated floors.

For kitchen remodeling, they offer various options, such as: tiles, including subway tile, porcelain, ceramic, stone, etc; lighting, from task lighting to pendant lights and everything in-between; cabinetry, such as custom cabinets or open shelving; counters like granite, marble, or quartz; drawer handles and faces; and design Style, from modern farmhouse to chic or minimalist.

Sol Cal Construction also offers outdoor living construction services, such as outdoor kitchens, fire pits, covered patios, outdoor living rooms, swimming pools, and decks and porches. They have been constructing outdoor kitchens, fire pits, and other outdoor living spaces for more than 10 years.

Launched in 2008, Sol Cal Construction is a general contractor that is locally owned by Loren Bose, who is a long-time resident of La Quinta, CA, and has worked with homeowners on various home remodeling projects, both large and small. He ensures that all projects are completed based on the highest standards and within budget and in compliance with the wishes of the client. Loren is licensed with the State of California and has the necessary knowledge regard local, county, and state requirements. Their service areas include: Palm Springs, Palm Desert, Coachella, La Quinta, and neighboring Coachella Valley areas.
