July 19, 2023

Akron, Ohio - July 19, 2023 - PRESSADVANTAGE -

TK Roofing & Gutters, a roofing company based in Akron, OH, is proud to announce they have earned another five-star review from a satisfied customer. This local roofing company is family owned and operated and has developed the reputation of being a trustworthy and reliable provider of roofing services that are affordable and timely to ensure the home and family are protected. Their experienced team may not offer assistance with the roof, but they can also provide seamless gutters, gutter guards, gutter installation, and gutter repair.

In the above-mentioned five-star review, Kay McAllister said, "Just had the roof & gutters replaced by TK on a rental property I have. The owner came out himself to evaluate the job, make suggestions & answer all my questions. The job was scheduled & on the start of it, the owner was there & we were able to make some adjustments based on what was found on the pull-off of the old roof (@4 layers of old shingles & rotten boards). The price was very reasonable & the work was top-notch. I will use them again when my own home's roof needs replacing."

Daryl Gentry, owner of TK Roofing & Gutters, says, "We would like to express our gratitude to Kay for her kind words. It has been a pleasure working with her. We encourage our clients to provide us with feedback, whether good or bad because such feedback provides information on how we are doing with our goal of providing excellent customer service. It gives us pleasure and makes us proud to receive such highly positive reviews because they indicate we have accomplished what we have set to do."
