

A New High Quality Grooming Brush For Pets Announced By Golden Grace Pets Choice

December 10, 2015

December 10, 2015 - PRESSADVANTAGE -

Assisting people to choose right kind of pet brush, Golden Grace Pets Choice, a preferred online shop for pet lovers, has announced its new product, a grooming brush for pets that is being sold under their pet grooming, nutrition and training category of products.

Those who love pets know well how pet grooming is an essential task to build and maintain a good bond with pets at home. Routine brushing is always recommended and sometimes pets need a more frequent brushing, especially when they have a soft curly coat. Removing the loose hair also appears to be a tricky job in absence of a good brush. Hence, the choice of a right kind of brush is vital for the best pet grooming. Golden Grace Pets Choice says that the new grooming brush that will be suitable for dogs, cats, horses, and other pets.

Making the announcement, company officials said that this is a new addition in their already impressive list of pet supplies which lists cat litter bags, dog toys, bird feeders and absorbable training pads etc. "We believe that a selection of the right pet supplies is extremely important for the well-being of your pets and hence, we bring the best products of the most reputed brands of the industry for our esteemed customers," a company representative said.

Concerning the features of their newly announced product, it was told that their latest product has bright features which are designed to suit the needs of pet lovers. As reported, these grooming brushes are double sided and ergonomically designed with a hand grip that moves flawlessly from one end to the other. The brush also has a coarse pin side that helps to break up the coat by removing all the loose hair and debris and a bristle side which adds a desired finishing to the coat. "The bristle side also helps to give a silky touch to a tangle-free coat and makes your pets look really lovely," the representative added.

As told, this grooming brush can be used for dogs, cats and horses, irrespective of their hair length, removing any need of separate grooming for different pets. The online store also offers quality products that facilitate pet training and nutrition so that those who have recently added a new member in their household face no

problem at all.
