The event was sponsored by Frank Azar & Associates - car accident lawyers with offices in Colorado Springs.

Frank Azar thanks everybody in attendance at the event, saying, ?We want to convey our utmost gratitude to everyone who carved out the time from their weekend plans to attend this charity event. From the bottom of our hearts, we thank you for being there on a day when it was truly all about the children.?

?They are the future of this great nation and deserve to grow up healthy and sheltered from the harsh realities that this world has in store. Riders 4 Children is doing a great job supporting families going through a particularly tough time in their lives. We hope to be there again next year continuing our law firm?s tradition of supporting the most vulnerable among us.?

Organized by Doug Zurek, the Founder and Board Member for Riders 4 Children, the non-profit hosted its inaugural ride on Labor Day weekend, 2021, raising nearly $15,000 for Ronald McDonald House Charities of Southern Colorado with the support of local sponsors, donors, and attendees. In 2022, it hosted a motorcycle ride that raised over $19,000. The 2023 event is on track to have the same amazing impact as previous years, with the donations providing relief to families in Southern Colorado with critically ill children facing
