Home Instead Yeovil, Sherborne and Bridport, a well-regarded local home care company, has achieved a significant accolade by being recognised as one of the top 20 home care companies in the South West region. This achievement positions them within the distinguished 2.33% bracket of outstanding home care providers in the area. This accomplishment marks the sixth consecutive win for the company, showcasing its unwavering commitment to excellence.

The prestigious award, bestowed upon Home Instead Yeovil, Sherborne and Bridport, is a result of their remarkable performance on homecare.co.uk, a premier home care reviews platform often likened to 'TripAdvisor for home care' in the UK. Garnering reviews from both the individuals under their care and their family members, the company demonstrated exceptional quality and achieved an impressive review score of 10.

One touching testimony from a family member of a client, featured on homecare.co.uk, reads as follows: "Since falling and breaking his neck last year, my 91-year-old father has depended on a team of carers in his own home, largely provided by Home Instead. With their continued help and support, they have provided my

parents the means to remain living independently and together, for which we are very grateful."

The testimonial continues, "There have been occasions recently when we have called on Home Instead for last minute unexpected cover and this has been invaluable. My parents particularly like the fact that they know exactly when their carer will be arriving each day (they have 4 visits daily) and the name of the carer. As they tend to be the same carers they have got to know them and formed good relationships with them. The whole Home Instead team from the office to the carers are highly professional and really helpful, and I have no hesitation in recommending them to anyone who asks!"

Mark Hunt, owner of Home Instead Yeovil, expressed his appreciation, stating: "This recognition reaffirms our dedication to delivering the highest quality of care to our clients."

Amanda Hopkins reviews manager of homecare.co.uk, emphasised the significance of exceptional home care, highlighting how it empowers individuals to maintain their independence while fostering meaningful companionships with their care providers. In a world disrupted by the challenges of the last two years, the role of care workers in preserving both physical and mental well-being has been indispensable.

Hopkins remarked, "Our reviews come from care recipients and their loved ones. These testimonials guide others in choosing the right care provider, one founded on empathy, trust, and compassion. Home Instead Yeovil's achievement reflects its unwavering commitment to providing exemplary care."

Home Instead Yeovil, Sherborne and Bridport offer a comprehensive array of care services, encompassing personal care, dementia care, and companionship care. The company extends an invitation to individuals with a compassionate heart and a desire to make a positive impact to join their ranks as Care Professionals.
