INVEST SMARTER, TRADE WISER

40 YEAR CELEBRATION

50+ Top Money Managers, Economists, and Analysts Convening for the Investment Masters Symposium Las Vegas

August 01, 2023

August 01, 2023 - PRESSADVANTAGE -

Las Vegas, Nev. ? More than 50 top money managers, economists, and analysts are convening at the Paris Las Vegas Aug. 7-10, 2023 for the ?Your 2024 Playbook: Policy & Profits? investment conference. They plan to answer key policy questions, and provide investor guidance during the conference. They are also planning to help an expected 400+ investors and traders better position their portfolios at a time of uncertainty about monetary, tax, and fiscal policy, but strong performance in the stock market.

Beginning with a kickoff reception on Monday evening and continuing through a final panel discussion on Thursday afternoon, self-directed, high-net-worth investors will have the chance to learn about top strategies and opportunities in the equity, fixed-income, commodities, real estate, and alternatives markets. Traders will also gain access to live trading demonstrations and in-depth MoneyMasters classes taught by experts with more than a century of combined experience.

This brand-new conference is an innovative forum for high-net-worth investors to explore this promising asset class, discover under-the-radar investment opportunities, and acquire the insights, strategies, and specific

recommendations that can turn profit potential into profitable success.

Attendees will also enjoy meet-and-greets with top financial and media personalities, as well as partake in evening networking receptions, and engage 1-on-1 with sponsors. Charles Payne, Host of Fox's Making Money with Charles Payne, will also be there to distribute signed, advance copies of his newest book, revealing its title onsite at the conference.

Featured financial experts in their 2023 lineup include: Mark Mahaney, Sr. Managing Director and Head of Internet Research, Evercore ISI; Lindsey Piegza, Chief Economist, Managing Director, Stifel Financial Corp.; Bruce Johnstone, Managing Director, Fidelity Investments; Larry Williams, President, ireallytrade.com; Ashraf Laidi, Founder, Intermarket Strategy Ltd.; Lawrence McMillan, Founder and President, McMillan Analysis Corp.; Selma Hepp, Executive, Research & Insights, CoreLogic; Mebane Faber, Chief Investment Officer, Cambria Investment Management.

Featured presentations and panel topics during the three-day event include: The Fed Pivot: Fact, Fiction, and Fallout Panel; The Latest on Tech and Growth Stocks; Housing Market Outlook: What's Different This Time?; Real-Time Trading with Tips and Tactics from the Legends; China's Rising Power: What It Means for Investors, Capitalism, and Democracy; Alternative Investments: Strategies That Work in Every Environment; Success Taxes Are the New Sin Taxes: Tax Policy in the Modern Era.

One attendee from last year, A. Ensiki from New York, NY, said, "I attended all the three-day event and I enjoyed every minute of it. There were so many interesting breakout sessions to choose from. It was excellent. I hope to attend next year's show again." B. Leister of Killingworth, CT commented that, "The master classes were excellent. The ability to meet other traders and share ideas was excellent."
