

Miami SEO Company Voted Best In Category

December 14, 2015

December 14, 2015 - PRESSADVANTAGE -

Miami Marketing Media, based in Miami, FL, is proud to announce that they have been voted best internet marketing Miami company in a recent community contest. The contest looked at a range of factors and the company was able to get the highest score. The SEO company is very proud to have received this official recognition from the community they serve.

"We really want to thank the community of Miami for their support and ongoing trust in us," says Juan-Carlos Mereles from Miami Marketing Media. "To be voted best in category is a recognition of the hard work that we have done, and also of the kindness and respect of our customers. We believe our award goes as much to them as it does to us."

Now officially holding the title of best SEO company in Miami, the company offers full service internet marketing options. Their goal is to drive business to their clients' websites, as such increasing their ROI and bottom line. They do this by using strategies that help to develop overall online presence.

The company offers a number of highly respected and useful techniques, including search engine optimization (SEO), pay-per-click (PPC) and search engine business listings to name but a few. Through this work, the company increases both the number and the quality of leads that are sent to a website.

Besides inbound marketing, the company can also take on a number of tasks such as SMS marketing, mobile advertising, social media, email marketing, blogging, and more. Their goal is to help people succeed in their online businesses by increasing their web traffic and the quality of this traffic, while also delivering a significant return on investment.

"Miami Marketing Media was established in 2010," explains Carla F., who was responsible for running the community recognition contest. "Since then, they have been providing highly effective strategies for online marketing. We are happy to say the community as a whole has recognized their fantastic work. A well-deserved award."

Thanks to the award, when people look for online marketing Miami will be directing them straight to this particular company. This could significantly improve their own bottom line.
