

Vienna Primary Care Leader, Heale Medical, Welcomes New Weight Management Specialist, Dr. Stephanie Ng, D.O.

August 02, 2023

August 02, 2023 - PRESSADVANTAGE -

Heale Medical Primary Care, a leading provider of primary care services in Vienna, VA, is thrilled to announce the addition of a new weight management doctor to their team, Dr. Stephanie Ng, D.O. This appointment is part of Heale Medical's ongoing commitment to providing quality healthcare that is accessible, enjoyable, and tailored to each patient's unique health goals.

Dr. Ng brings a wealth of experience and expertise in internal medicine, with a particular focus on weight management. She is a graduate of the University of New England College of Osteopathic Medicine and completed her residency in Internal Medicine at the William Beaumont Army Medical Center. Dr. Ng is also a member of the Phi Sigma Biological Sciences Honor Society, demonstrating her commitment to academic excellence.

Throughout her career, Dr. Ng has served in various capacities, including as a Staff Internist at Allcare Family

Medicine and Urgent Care, Mary's Center, Mid Atlantic Permanente Medical Group, and Sound Physicians. She has also provided medical services to deployed soldiers in support of Operation Enduring Freedom as a Squadron Surgeon. Her diverse experience, from primary care to urgent care to hospitalist roles, equips her with a broad perspective on patient care.

In addition to her impressive medical background, Dr. Ng is bilingual, fluent in Spanish, and has a passion for preventive healthcare, integrative medicine, OMT, and aesthetics. She holds certifications in Aesthetic Medicine, Advanced Aesthetic Medicine, Anti-Aging Medicine, Cosmetic Laser Therapy, and Advanced Lip Filler Injection.

In her spare time, she enjoys spending time with her children, traveling, watching movies, dancing, and having adventures where ever life takes her. Her unique blend of skills and interests will undoubtedly enhance the services offered at Heale Medical Primary Care.

Heale Medical Primary Care is known for its patient-centric approach, offering same-day/next-day appointments, zero/limited waiting room time, and longer one-on-one sessions with physicians. The practice leverages state-of-the-art technology, such as 3D body scanning, to provide cutting-edge patient care services. With the addition of Dr. Ng, patients can look forward to an enhanced level of care, particularly in the area of weight management.

Dr. Ng's addition aligns with Heale Medical's mission to provide proactive and long-term care with a detailed analysis of health risks. Her leadership and clinical expertise will be instrumental in supporting general medicine academic opportunities and expanding the clinic's offerings.

Heale Medical Primary Care is excited to welcome Dr. Ng to their team and looks forward to the positive impact she will have on their patients and the broader community. Her commitment to the highest standard of healthcare and her passion for aesthetic medicine will undoubtedly contribute to the clinic's mission of making quality healthcare more accessible and enjoyable.

Dr. Ng's addition to the team also signifies Heale Medical's dedication to continuous improvement and expansion of services. Her expertise in weight management will provide patients with a comprehensive approach to health and wellness, further enhancing the quality of care provided at the clinic.

Heale Medical Primary Care is a leading provider of primary care services in Vienna, VA. The practice is committed to making quality healthcare more accessible and enjoyable, focusing on proactive and long-term care. The Heale Medical Primary Care team works closely with patients to understand their health needs and

develop personalized care plans that help them achieve their health goals.
