

Randolph Rogers of EXP Realty Announces Buyer Representation at 222 East Broadway in New York/Manhattan

August 02, 2023

Riverview, Florida - August 02, 2023 -
Randolph Rogers, based in New York/Manhattan, from EXP Realty recently announced he will be offering private and confidential buyer representation services to clients interested in owning a home in 222 East Broadway in New York/Manhattan. Randolph Rogers has previously provided client representation and consultation at numerous exclusive locations throughout New York County and 222 East Broadway is a natural continuation of that standard.

The newly built Tower at 222 East Broadway boasts an open and airy design that embodies modernity in every aspect. Its carefully crafted layout creates an atmosphere of sophistication and luxury that is unmatched by any other living space.

The landmarked Lofts offer a classic layout that pays tribute to the historic significance of New York. The custom details and timeless design elements present in these spaces provide a glimpse into the city's rich

cultural heritage.

"222 E Broadway is an incredible new construction community that offers residents the perfect blend of modern amenities and urban convenience. I'm excited to be a part of such a vibrant and exciting project!? says Randolph Rogers.

222 East Broadway is a newly built residential community located in the lively downtown area of Manhattan. This exciting place features contemporary facilities, opulent living areas, and breathtaking views, making it an ideal home for those who love city living. Being conveniently situated near popular tourist spots and a dynamic nightlife scene, 222 E Broadway presents an unparalleled lifestyle opportunity for urban residents.

?222 E Broadway is the ideal place to call home if you're looking for modern amenities, luxurious living spaces, and incredible views. Working with me gives you access to exclusive deals and insider information which helps you with getting the best out of this fantastic new construction community,? says Rogers.

The towers at 222 East Broadway are inspired by the local galleries, these towers have interiors that are full of creative surprises and exciting vibes. Fluted glass cabinets and sculptural lighting give the Tower a unique edge like no other on the Upper East Side.

Residents won't believe their eyes when they see how much light fills these spaces. The open layout and floor-to-ceiling windows were designed to let as much light as possible in, from the morning till the night. It's like living in a sunlit wonderland.

The kitchens in these Towers are a dream come true for food lovers. With glittering Italian greystone counters, top-of-the-line Miele appliances, and beautiful Zellige tile backsplashes, they are designed to make the appetite dance with joy. The bathrooms are transformed into serene spas with custom fixtures and Montblanc vanity countertops, making it feel like royalty.

And that's not all ? these Towers have even more surprises in store. Some units come with outdoor walk-out terraces, perfect for enjoying the fresh air and breathtaking views of the New York skyline, bridges, and the East River.
