December 11, 2015 -
Assisting businesses and individuals to gain a strong online presence by appearing in top search engine results and providing them enhanced and targeted traffic flow, the London-based SEO expert ?ClickDo Ltd.? has continued growing as a market leader with their business and services, expanding to over 10 major cities in the UK. The brainchild of the highly experienced and proven SEO expert Fernando, the company started off small but has rapidly become one of the leading SEO service providers in the UK.

Talking about the expansion of their services, the company Founder and CEO Fernando said that businesses and individuals are in a dire need of expert SEO services to edge past the tough competition in the market. ?With the advent of online platform, it has become highly important for all the businesses to have prominent online visibility and appear in top search results so that the customers visit them rather than their competitors,? said Fernando. He added, ?We have been providing these services with impressive results to our clients and that is why we have become a highly in-demand firm. This expansion of services to over 10 major cities has been done to bring our expert services one step closer to our clients.?

As reported, Fernando started the company with a vision of becoming one of the leading service providers,

and now with their services being made available in over 10 cities and being one of the best Digital Marketing Agencies in UK, he has certainly done a great work in fulfilling what he envisioned. ClickDo Ltd. specializes in SEO, PPC consulting, social media and page speed Optimization and much more.

Concerning their approach and services, company representatives said that they make sure their clients get more than what they expect from them. They added that the expert team of ClickDo Ltd. lead by Fernando uses the latest techniques to provide highly responsive web designs with amazing quality, highly effective and proven SEO and digital marketing services, WordPress SEO training and much more.

With their 24/7 customer support, the company makes sure to provide the best experience to their clients. ?It is our goal to deliver you the search engine rankings that gets profitable clicks on the web,? says Fernando. The rave reviews that they have been getting all around and their expansion has become a testimony of how well Fernando has lead his company to become one of the leading SEO agencies in the UK.
