12 Oaks Dental Is Offering Reliable and Effective Dental Implants In Austin, Texas

August 14, 2023

August 14, 2023 -
12 Oaks Dental, a dentist in Austin, TX, is educating local patients about the benefits of choosing dental implants.

Missing teeth can be the cause of several dental problems such as difficulties in eating normally, maintaining coherent speech, or even more serious issues such as shifting teeth, loss of jawbone, and TMJ disorder. Moreover, for those who are very self-conscious about how they present themselves, it can also lead to reduced self-confidence in relationships and in the workplace.

?Dental implants are a reliable solution for restoring the natural function and appearance of missing teeth,? says Dr. Marc Worob from 12 Oaks Dental. ?In fact, the procedure is one of the most common and widely opted-for treatments in restorative dentistry. They also have a long shelf life, ensuring that with good oral hygiene and dental check-ups, they can last you a lifetime.?

A dental implant is a small post, most commonly made out of titanium, which is surgically placed into the jawbone at the location of the missing tooth. The bone surrounding the implant fuses together and upon that strong foundation, a replacement tooth can be placed. The dental crown that is fabricated has a very natural look making it a seamless repair that is completely discreet.

?Dental implants look, feel, and function just like natural teeth,? says Dr. Elyse Barron. ?Your speech will be restored, eating won?t be a challenge anymore, and you don?t have to worry about people noticing your missing teeth when you smile. However, the greatest benefit they provide is the preservation of the bone in the areas of the missing teeth. Implants continually stimulate the bones as if a natural tooth were still in place, preventing additional bone loss.?

At 12 Oaks Dental, Dr. Marc Worob and Dr. Elyse Barron have been empowering Austin residents to live

healthier lives through holistic dental practices since 1990. The clinic?s guiding philosophy, that oral health is intricately connected to overall wellness, inspires Dr. Worob and Dr. Barron to offer treatments that are focused on improving a patient?s entire well-being and not just their teeth. For its holistic methods, the clinic has won the 2019 Best of The Best Award from Austin American Statesman and Austin360.com.

The full range of services offered by 12 Oaks Dental includes health and wellness services such as comprehensive exams, gum disease therapy, food inflammatory test, TMD/TMJ, airway/sleep disorders, tongue-tie, and dry mouth treatment, general dentistry services such as pediatric dentistry, dental hygiene, sedation dentistry, and oral surgery, cosmetic dentistry services such as teeth whitening, porcelain veneers, smile makeover, dental bonding, full mouth restoration, and ClearCorrect, and restorative dentistry services such as dental implants, tooth-colored fillings, dental bridges, dental crowns, porcelain Inlays & Onlays, dentures, and root canals.

12 Oaks Dental has received tremendous support from the local Austin community, even netting it a perfect 5.0 out of 5.0 overall rating on its Google Business Profile from over 625 reviews. Patients thank the Austin dentist for its comprehensive dental services for the whole family, the friendly and inviting office staff, knowledgeable dentists, and prompt customer service.

A recent review says, ?I?m thrilled to have found Twelve Oaks Dental! Everything about my first visit was top-notch. The office is very clean, comfortable, and visually appealing. Everyone on the staff that I encountered was very helpful, friendly, and interested in providing me with the best dental care. Dr. Barron was very informative and explained every detail of my exam and dental health to me. I only wish I?d found them sooner.?

Another patient writes, ?I had a wonderful experience today for my 6-month cleaning. The hygienist was friendly and very thorough, which I greatly appreciated. She discovered a small problem that was confirmed by Dr. Worob. Amazing. The office staff was helpful and the most congenial. I've been a patient of Dr. Worob's for 28 years and highly recommend 12 Oaks Dental!?
