Your Home Sold Guaranteed Realty is helping buyers find and move into the home of their dreams from dozens of property listings in and around Greenwood, South Carolina.

Founded by real estate broker Kellar Lawrence, Your Home Sold Guaranteed offers home buyers priority access to homes in the Palmetto State that match their criteria, including unlisted, off-market, and unclaimed properties. The company?s exclusive South Carolina Buyer Profile System saves its clients both time and money as they get priority access to all homes including bank foreclosures, company-owned properties, and other distressed sales.

Kellar Lawrence explains, ?With us, you spend more time looking at properties that match your criteria rather than wasting it browsing through outdated information available in newspapers or the internet. Priority access also ensures that you?re out there before other buyers, giving you the upper hand to negotiate the lowest possible price. If you want to find out more, simply fill in the form on our website and get added to the hotlist.

Make sure to also start packing as, with Your Home Sold Guaranteed Realty, your search is as good as finished!?

Another advantage of working with Your Home Sold Guaranteed Realty is its Guaranteed Sale Program which solves the ever so common catch-22 that home buyers face - when one should sell their existing home when moving into a new property. The program guarantees the sale of a client?s present home before they take possession of their new one.

Finally, to ease all worries about making a significant property investment, Your Home Sold Guaranteed Realty promises, upfront and in writing, that the buyer will love their new home. If they don?t, the program guarantees that the company will buy it back.

?Many realtors don?t give you any guarantees to ensure your satisfaction,? Kellar says. ?For us, client satisfaction is critical. So, we not only work hard to show you the very best properties for your needs and budget but also offer you a written guarantee that covers you if you are not satisfied with your purchase.?

Readers looking for homes for sale in Greenwood, SC, are urged to visit the company?s website and browse through its current listings. Home buyers are also encouraged to check out the several resources the company makes available to help them find homes at the best possible price. The company also works with property owners looking to sell their homes, netting them, on average, 3% higher selling prices and selling 25% faster than other realtors.

A recent review says, ?Eilene Webber was so wonderful to work with - my transaction went so smoothly. I initially lost out on the home I wanted, however, it came back on the market and Eilene let me know and we made an offer and closed within 8 days. What an Awesome experience, can't believe it happened so quickly. What a great team to work with. IF YOU NEED TO BUY OR sell, call Eilene.?

Another happy homeowner writes, ?Jennifer was so easy to work with, and truly made me feel like her first priority. She was always available and always happy to listen. Anytime I had questions or concerns she was there to provide answers and put my mind at ease throughout the entire process.
