The spokesperson for Lopez & Humphries says, "You can consider exciting topics such as unveiling the power of trust in professional relationships, exploring the crucial role of laws in shaping society, or delving into the deep significance of trust in our lives. However, at the end of the day, the contest is an opportunity for you to let your imagination run wild as we value your fresh perspective. Feel free to tackle other captivating subjects that provide entertainment, engagement, and societal value."

The contest has earmarked \$5,000 for the top 3 submissions - \$2,500 for the first place, \$1,500 for the

second place, and \$1,000 for the third place. Lopez & Humphries asks participants to share basic contact information, the name of the school they attend, and their high school graduation date.

“The secret to a good ranking in the contest,” the spokesperson says, “is that we are not just seeking informative videos but also entertaining ones. So, unleash your creativity, let your personality shine through, and inject some fun into your masterpiece. Your creation might just go viral. We are ready to be blown away by your talent and ingenuity.”
