The review states, ?My boyfriend and I were able to close on our very first home because of John and his team. We had a very unique situation in that he co-owns two small businesses and I have multiple jobs, one being at said business. The review goes on to say, ?John and the team worked relentlessly to clear the red flags, and when they came to blocks in the road, quickly found ways around it. They believed in us and fought alongside us regardless of what the underwriters/government agencies said and helped us land our dream home.
