

Three Movers Offers Full Service Moving Company Services in Las Vegas

August 25, 2023

Henderson, Nevada - August 25, 2023 -
Three Movers, a full-service moving company with offices in Henderson, NV, is offering their services in Las Vegas and neighboring areas. The company offers long distance and local moving services where a team of movers with a truck from Three Movers will go to the home of the client and pack up all of the belongings into boxes and disassembling and moving the furniture. All of these things are loaded into the truck and transported to the new home, where their team will unpack the various items and reassemble the furniture. It is known as ?full-service? moving because everything will be done for the client.

Chris Townsend from Three Movers says, ?At Three Movers, we believe in keeping our prices low and your belongings safe. With our free and consistent quotes, you can trust that you?re getting the best deal you can for your move. We provide a full service, including a truck rental and help with both packing and unpacking.?

Meanwhile, the Three Movers reviews have been mostly positive. The company has an overall rating of 4.8 out of 5 stars on Google. In a recent review, Kean Higgins gave them a five star rating and said, ?I'm blown

away by the fantastic service I got from this moving company. The movers were like superheroes, swooping in and saving the day. They packed my belongings with speed and skill, and not a single item was damaged. A big thumbs up for a job well done.?

Three Movers will provide a team of full service movers for the client. This means they will be handling all aspects of the move to another location. This includes the use of a moving vehicle or truck, providing any labor that is needed, providing the needed supplies and materials, and more. Clients will only have to decide on a number of important things. Apart from that, they won?t have to lift a finger or worry about anything. Packing is usually the most time-consuming element of the move. With a full-service moving service, the professionals will take care of all the packing that would be needed. They will even provide the materials such as the boxes and other moving supplies to ensure that the precious belongings will be protected adequately while in transit. They will also handle the disassembly of the furniture items once they have arrived at the new location. They will also carefully pack the electronics equipment, offering protection for their delicate parts to protect them from damage during transport.

Three Movers will provide the moving truck that will be used to transport all of the client?s belongings safely to the new location. Upon arrival, they will also do the unpacking and then put the different items in their designated places as desired by the client. They will also re-assemble the disassembled furniture and put them in their proper places. After the unpacking and re-assembly, they will also take care of getting rid of the boxes and other moving supplies that they had used.

For those situations where the client needs a place to temporarily put their important belongings, Three Movers can provide temporary or long-term storage Lastly, if the client has a car or vehicle has to be shipped to the new location, Three Movers can also help.

Three Movers was established 20 years ago by three college friends who personally experienced the difficulties of moving to a new apartment and thus, considered possible ways of making a move more efficient and less troublesome. They launched the business with just three men and a U-Haul truck. Several miles later, the company has gained the trust of people by ensuring that their prices are low and their client?s belongings are safe. With their free and consistent quotes, clients can have peace of mind that they are getting the best deal for their move. They are capable of providing a full service move, including truck rental and help with the packing and unpacking activities.

Those who are looking for full service moving company in Las Vegas can check out the Three Movers website or contact them through the telephone or via email.
