Caledon, Canada - The reviews and giveaways site Kelly?s Thoughts On Things had recently reviewed Fun Chalk Chalk Board markers. The blogger Kelly remarked that the product was ?some of the most amazing things I have tried in forever.? She mentioned that the chalk board markers helped her stay creative and were easy to use.. Additionally they were easy to clean-up after use by using a wet cloth to wipe and erase.

According to Kelly, the chalk board markers were made with premium ink. This meant that the ink from the markers would not drip or smudge and won?t fade. The markers from Fun Chalk were not only markers but also liquid chalk. The product came with a 6mm unique reversible tip that allowed persons to use both ends of the markers. This allowed the liquid chalk markers to be used as either a broad tip or fine tip marker. Additionally the chalk board markers were available in eight fluorescent colors.

Kelly?s Thoughts On Things highlighted that the chalk board markers were non-toxic, xylene-free, odor-free

and dust-free. The blogger Kelly remarked that it was ideal for adults and children who may suffer from allergies or asthma. The blogger mentioned that any irritation or reaction while using the markers will not occur due to the eco-friendly nature of the product.

Fun Chalk Chalk Board Markers have a variety of uses according to the blogger. The blogger mentioned that she and her family loved to do scrapbooking and make their own arts and crafts. According to her the chalk board markers are ?a great addition? to all of their craft items. The blogger?s grandchildren loved decorating windows with the markers.

Another idea the blogger mentioned for the chalk board markers was to decorate for dinner parties. The blogger suggested personalizing glasses and plates with the guests names. The person can do this and easily wash off dishes and glasses after use. According to Kelly?s Thoughts On Things, the parties can be stylish without having items permanently marked.

The blogger?s grandchildren used the chalk board markers to play tic tac toe games. Additionally she wrote on easel chalk boards to leave messages. Other uses of the markers included to label and organize toys and to decorate rocks as pets.

The Chalk Board Markers are sold on the number one shopping marketplace Amazon. According to Kelly?s Thoughts on Things, the markers are capable of serving as great gift ideas and stocking stuffers for their grandchildren and teachers and parents in the family. Also, Gold Star Selections will be given $1 from each package sold this Christmas season to a worthy charity, Brunch Club, who help feed the homeless (especially our veterans).
