August 15, 2023

London, England - August 15, 2023 -
For businesses throughout the UK grappling with unpaid debts, First Capitol, a premier UK debt collection agency, has once again showcased its unrivalled excellence in the field. Celebrating their latest 5-star review, the company underscores the value and importance of a professional hand in securing cash flow and obtaining owed funds.

Recent feedback from a satisfied client, Alison Sprague, spotlighted the efficiency, experience, and effectiveness that First Capitol brings to the table. Ms. Sprague, who was initially unsure of the outcome, commended the agency for its prompt actions and results-oriented approach.

She remarked, ?The team delivered quickly: the debtor?s location was identified immediately and face-to-face engagement occurred within days.?

Sprague's concerns about potentially being further out of pocket were completely assuaged. "The debtor remained keen for some time to shirk their responsibility but, following the team?s skilful approach, ultimately signed a settlement agreement and I have started to receive payments," she added.

First Capitol boasts an impressive 96% success rate, which is a testament to their dedication and the depth of their expertise in the field. And for businesses that may be hesitant about engaging their services due to the cost, First Capitol?s no win, no fee approach ensures that clients only pay when results are achieved.

The glowing review continues: ?The service is excellent: the team is courteous, reassuring and, due to its wealth of experience and long track-record, strategically astute. If you need to recover a debt, then First Capitol should be your first port of call; an effective value for money service.? Ms. Sprague later updated her feedback to share the welcome news that her debt was fully recovered by February 2023, expressing her gratitude with, ?Thank you! A highly recommended first class service!?
