SERVPRO, of Indian Land, Cherokee, Union, and Chester Counties, is offering a range of specialty cleaning services for home and business needs.

SERVPRO offers everything that homeowners and businesses need to ensure their property is in top shape for everyone living in it or using it. The company?s team of experienced professionals safely cleans the property using advanced technology while following all the applicable laws and safety guidelines.

The company offers specialty cleaning services such as air duct and HVAC cleaning, biohazard and crime scene cleanup, carpet/upholstery, ceiling/floor/walls, drapes/blinds, roof tarping/board-up, virus and pathogen cleaning, document restoration, odor removal, and graffiti and vandalism cleaning.

The company?s air duct cleaning and HVAC services keep a property?s air ducts and HVAC ducts in top

condition as an important part of preserving the comfort and functionality of a residence or business. The company provides air duct and HVAC duct cleaning so property owners can help ensure they are providing quality air to their families and employees. The services offered include allergen, pollen, and other contaminant removals as well as dirt, dust, and debris removal.

SERVPRO?s biohazard removal and crime scene cleanup services ensure that if a crime scene, accident, or other event leaves biohazards present, the space will be respectfully and carefully cleaned using the required standards. The tasks the company can take on include blood and body fluid cleanup, hoarding cleanup, death, and suicide cleanup, chemical, tear gas, pepper spray residue cleanup, methamphetamine labs, and dire extinguisher residue cleanup.

The company also has professionals with the knowledge and training who follow and use specialized cleaning protocols and products to create healthy spaces. It offers a virus cleaning service, COVID-19 and coronavirus cleaning service, and pathogen cleaning service.

SERVPRO?s document restoration services are for individuals who want to perform water damage repair, fire damage repair, or mold repair, on their documents. The company?s document restoration services, such as photograph restoration, certificate restoration, financial document restoration, and vital document restoration, may help salvage its customers? valued items.

SERVPRO also offers odor removal services including mold smell removal, fire smoke odor removal, cigarette and cigar smoke removal, pet odors removal, and more using proprietary cleaning solutions, techniques, and equipment to ensure a property gets back to smelling fresh.

Finally, for property owners facing vandalism and graffiti strikes, the company?s professionals are prepared to handle all levels of damage including driveway and walkway cleaning, asphalt and concrete cleaning, metal, masonry, brick, and stone cleaning, and glass, plastic, and wood cleaning.

Several South Carolinians have expressed their approval of the restoration company?s services on its online profiles. SERVPRO of Indian Land, Cherokee, Union, and Chester Counties even boasts a perfect 5.0 out of 5.0 rating on its Google Business Profile from over 20 reviews.

A recent review says, ?Extraordinary service!!! On time, knowledgeable, professional crew!!! They saved the day during my disaster and made the process seem less painless. Nick is SUPERB!!! You want it done right ask for Nick.?

Another reviewer writes, ?Wonderful, friendly, knowledgeable, empathetic personnel. Leaders of teams are very up on what they are doing; what to do; how to do it; how to make the affected parties feel at ease and

relaxed to know they are in such competent hands; and what to do next; and keep parties informed.?

Apart from its specialty cleaning services, SERVPRO of Indian Land, Cherokee, Union, and Chester Counties also offers general cleaning services as well as fire damage restoration, mold remediation, water damage restoration, storm damage repairs, and construction for both residential and commercial customers.
