

## **Windy City Fence Company Offers Residential and Commercial Fencing Services in Chicago**

*September 05, 2023*

September 05, 2023 - PRESSADVANTAGE -

Windy City Fence Company, a company based in Chicago, IL, wants to highlight their residential and commercial fencing services in the Chicago metropolitan area and nearby places. They have been serving the greater Chicago area for more than 15 years. They take pride in providing reliable fencing solutions that also enhance the curb appeal of the home or business's exterior. They also assure clients that their team specializes in the use of the most modern materials that have been designed to be capable of resisting even extreme weather conditions, such as strong winds from storms and hurricanes and heavy snowfall.

A spokesperson for Windy City Fence Company says, "We understand how difficult it can be to find a fence solution that fits both the unique design and topography on your property, but our knowledgeable staff is here to make the process as easy as possible for you. From hillsides and wooded areas to creeks that require extra care when designing a fence line, Windy City Fence Company has done it all. Whether you need something temporary or permanent, we'll go over all available options so you can find the right fit for your needs."

For residential fencing, they offer various kinds of services. These include: arbors and lattice fences; chain

link fences; Chicago ornamental iron fences; composite material fences; dog kennels; iron railings; mailboxes; vinyl fences; window guards, wood fences, and wrought iron fences. For commercial fencing, they can provide: barbed wire / razor ribbon fencing; bumper posts; chain link fittings; Chicago ornamental iron fences; commercial chain link fences; commercial electric gate openers; inside security fencing; perimeter security fence; and wrought iron fences.

There are a number of factors that differentiate Windy City Fence Company from other providers of fencing, including commercial electric gate openers, in Chicago and neighboring areas. First is their experience and expertise. Their team has the skills, experience, and knowledge to handle any fencing project. Second, they are capable of offering comprehensive solutions fences and commercial electric gate openers that are appropriate for various kinds of gates, such as swing gates, sliding gates, and barrier gates. Third, they will also use the best quality products for the fence installations, including gate openers. Fourth, they will always provide professional installation services. They will ensure that they fully understand the specific security needs of the client and custom-fit the products and installation procedure appropriately. Lastly, they will always strive to provide the best possible customer service. They want to stress the customer satisfaction is always their first priority.

They want to stress that Windy City Fence Company is the company to go for those who want to secure their property, while ensuring that the aesthetic appeal of the property will also be considered. The spokesperson says, "We specialize in installing durable and visually appealing security gates for residential, commercial, and industrial properties in the area. Our team of experienced professionals is dedicated to ensuring that your security gate is installed correctly for maximum safety and longevity."

Started in 2011, Windy City Fence Company is a family-owned and operated company with a team of fencing professionals have a combined experience of more than 25 years. They take pride in having handled every type of fencing project possible. They are ready to provide a free estimate and a guarantee for any project they will handle. They provide a full range of fencing products and installation services, including custom-made fences. They have one of the biggest fencing inventories in the Chicago area and two showrooms. They offer their services to the residential and commercial markets, including some of the biggest companies in Chicago, including athletes, celebrities, and business managers, and in local, state, and federal governments.

Those who are looking for residential and commercial fencing providers in Chicago and surrounding areas can visit the Windy City Fence Company website or contact them on the phone or through email. They are open from 9:00 am to 5:00 pm at any day of the week.
