

Minneapolis Criminal Defense Lawyers Keep Mother Out of Jail After DUI Charge

September 21, 2023

Minneapolis, Minnesota - September 21, 2023 -
Minneapolis, MN ? A recently widowed mother was facing thousands in fines and even jail time when she was arrested and charged with a DUI. When given her one phone call, the woman immediately dialed the number of the highly rated Minneapolis criminal defense lawyer, Attorney Ryan Garry.

?DUI?s are a serious charge, and you shouldn?t let just any lawyer represent you through the case,? said Garry. ?Because I understand the law, and have more experience winning these cases than anyone in my state, I was able to help my client get the case dismissed with all charges dropped. She?s back home with her children, thanks to the hard work of my firm.?

The woman, who wishes to remain anonymous, spoke about her experience with Ryan Garry - Defense attorney.

?I?ve never met a finer man than Mr. Garry,? she said. ?He assured me from the moment I called that he

would do everything to keep me out of jail. I have three children at home, and I?m on a fixed income from my late husband?s pension. I thought my life was ruined, but Mr. Garry has helped me so much and I am so grateful.?

Garry says this is a prime example of why criminal defense attorneys are the only attorneys to call in a criminal case.

?If I could do one thing, it would be to educate the citizens of Minneapolis of the importance of criminal defense attorneys,? remarks Garry. ?My team is highly educated, have decades of legal knowledge and experience, and we understand what it takes to get our clients the best verdict possible.?

Winning Minnesota?s Top Lawyer Award 5 years in a row, Garry?s work has built him a solid reputation in The Twin Cities. As a board certified criminal specialist, Garry is within the top 3% of lawyers in Minnesota with such credentials.

?I didn?t get all these credentials to brag about myself,? says Garry. ?I did it because I am committed to being the best lawyer I can for my clients.?

Criminal defense attorneys handle criminal cases of all sorts, from murder and manslaughter, to identity fraud and DUI. Arson, DWI, burglary, white collar crimes, and drug crimes are all examples of cases Garry and his team take on. When a person is facing criminal charges, the deck is stacked against them, says Garry. That?s why working with a criminal defense attorney is imperative.

?Defendants, even when innocent, are often perceived guilty before a trial even begins,? says Garry. ?If the person has a rap sheet, or if the media gets involved, their chances of avoiding jail time are very low. But with the help of a knowledgeable criminal defense attorney, we can help prove your innocence, and flip the jury to our favor.?

One of his team?s most recent victories was helping a well-known Minneapolis doctor avoid sexual misconduct charges in a notorious case involving two separate women. Prosecutors attempted to defame the doctor, and paint him as a monstrous sexual predator. Garry?s team took on the case, and after taking a year to thoroughly investigate and poke holes in the plaintiffs? accusations, Garry was able to get all charges dropped against the doctor.

?We?re dogged about protecting our clients,? says Garry. ?We don?t take on cases that we don?t think we can win. There are thousands of people in jail right now serving hard time because they trusted the wrong lawyer. Don?t let that happen to you. Choose our legal team and get the help you need.?

Dozens of reviews can be found on Garry?s website. Clients say positive remarks, like, ?so helpful,? and ?saved my butt,? and ?his presentation was so articulate, I thought I was in a movie.?
