A recent review says, ?My first experience with Elite was a year ago when I reached Ashley for my daughter?s 16th birthday personalized ring. She was very patient in understanding what I wanted, got it done, and delivered it on time. My daughter loved it. And, recently, a ring for myself. I never visited their store, because I am confident in ordering online as the actual product will be the same or better than what I see on their website.?

Another customer writes, ?Jake is a superstar! I live in Chicago and was initially hesitant to work with a jeweler remotely?but this was the most pleasant experience I?ve had with a jeweler. He was very attentive and ever so patient with my many questions - I am so impressed with the quality of service. My wedding band is exactly what I wanted it to be - and for a very competitive price. Jake has a customer for life!!?
