September 06, 2023 - PRESSADVANTAGE -

AUBURN, NY ? Auburn Eye Care proudly announces the launch of its new website, designed from the ground up to provide patients with a seamless and informative online experience. This new website will feature patient-focused features, such as online appointment scheduling and prescription requests, to better allow Auburn Eye Care to deliver exceptional eye care services to the community.

Auburn Eye Care, part of the Local Eye Doctor Group, offers patients in the Auburn, NY, area a dedicated team of experienced optometrists who are ready to help patients and their families achieve clear and comfortable vision. Auburn Eye Care is committed to utilizing the latest technology to make their experience even more comfortable and effective, and the brand-new website is another example of this commitment.

"Our new website is a reflection of our unwavering commitment to providing exceptional eye care to our patients here in Auburn, NY," said Cammi Granato, Business & Practice Manager at Auburn Eye Care. "With over 25 years of experience and our practice voted as the best in the region for 16 consecutive years, we understand the importance of evolving with the times. Our website is not just a digital presence, but a seamless platform that allows us to offer unparalleled convenience and personalized service to our valued

patients. From easy appointment scheduling and online prescription requests to informative resources and virtual consultations, our website is designed to enhance every aspect of your eye care journey. Trust in our expertise, fueled by years of excellence, as we continue to remain dedicated to serving our community with the utmost care and innovation."

Providing patients with personalized attention and care is a key focus at Auburn Eye Care. Patients seeking information or services such as comprehensive eye exams, contact lenses, designer eyeglasses and frames, eye disease treatment and management, dry eye disease care, and more can find everything they need on the new website.

"As optometrists, we consider ourselves to be more than just caregivers; we see ourselves as stewards of the vibrant community here in Auburn, NY," said Dr. Martin Losito, optometrist at Auburn Eye Care. "For more than 25 years, we have had the privilege of serving generations of patients, witnessing their growth, and becoming an integral part of their lives. It brings us immeasurable joy to see families walk through our doors, knowing that their eye health and overall well-being is entrusted to our dedicated team. We believe in fostering long-lasting relationships built on trust, compassion, and exceptional care. Our commitment to the community goes beyond the walls of our practice, as we actively support initiatives that uplift and empower our neighbors. With gratitude and passion, we look forward to continuing this journey as partners in your eye health, celebrating the generations of patients who have placed their trust in us."

New and returning patients can visit the new Auburn Eye Care website at auburneyecarecenter.com to explore the practice's services, schedule appointments, and gain insights into achieving and maintaining healthy vision.
