September 13, 2023 -
Mars Forklifts is offering forklift hire and repair services, as well as a selection of new and used forklifts for sale, to commercial clients in Sydney, NSW.

Rated as Australia?s largest new and used forklift retailer, Mars Forklifts brings over 50 years of combined experience to the table to offer clients a turnkey solution for all their forklift needs. Commercial clients managing warehouses, factories, or the setup for a special event can get started for just $20 per day depending on their needs. The company?s lineup of forklifts for sale and hire consists of machinery from top brands in the industry such as Toyota, BT, Raymond, Manitou, Crown, and JLG, just to mention a few.

?Our forklift services are designed to make short work of whatever challenge you might be facing at the workplace,? says the spokesperson for Mars Forklifts. ?Highly efficient and nimble to maneuver, our forklifts are ideal for lifting all kinds of loads both indoor and outdoor. Once you contact us and the forklift is on its way, you can rest assured that your productivity is going to be sky-high and the work is as good as done.?

Sydney residents are urged to visit its website to browse through Mars Forklifts? range of over 300 forklifts

and scissor lifts for hire and sale in Sydney. Customers can choose between electrical forklifts, LPG forklifts, and scissor lifts, depending on the task at hand. In most cases, the company promises same-day delivery. Customers can even ask for a free, no-obligation survey of their site for a customized forklift recommendation from the company?s professionally trained staff.

The company?s electric forklifts for hire include a 3-wheel counterbalance, 4-wheel counterbalance, pallet mover, walkie-reach, walkie stacker, stock picker, reach truck, and double deep reach truck forklift. The company?s LPG/Diesel offerings include a 1.8-ton, 2.5-ton, 3/3.5-ton, 4/4.5-ton, 5 to 7-ton, and 9-ton diesel forklift. Finally, its scissor lift collection includes a 6M, 8M, 10M, and EWP scissor lift. The listings on the company?s website are also separated based on whether it is a brand-new model or a used one.

Mars Forklifts also offers forklift repair for clients who need maintenance services for their existing fleet of forklifts and scissor lifts. The company?s forklift repair technicians have over 100 combined years of experience and are factory-trained to perform the most optimal repairs within the client?s budget. Apart from having significant knowledge of how forklifts operate, the crew at Mars Forklifts also uses the latest diagnostic equipment to reduce downtime and get the machines back to an operational condition as soon as possible.

Customers all over Sydney have profusely praised Mars Forklifts for offering high-quality forklifts for hire and sale at reasonable prices and with top-notch customer service. The company even boasts an impressive overall rating of 4.6 out of 5.0 on its Google Business Profile from nearly 50 reviews. Customers also note the professionalism of the company?s forklifts repair crew in their reviews.

One client writes, ?I recently bought a forklift from Mars Forklifts, and I couldn't be happier! Their support in finding the right forklift for my needs was outstanding. They listened to what I needed and guided me to the perfect fit. Plus, the refurbishment they did on the forklift was top-notch - it looked as good as new! I highly recommend Mars Forklift for its excellent service and attention to detail. Great job, Thank you, Mario and the Team!?

Another recent review says, ?Friendly service and ?can do? attitude, nothing is ever too big an issue and they do a great job when servicing our forklifts. Always a pleasure to work with, the staff go above and beyond to ensure the job is done right the first time. The professionalism and knowledge are unmatched, definitely the best in the business. 5 stars, thank you Mars Forklifts!?
