Windy City Fence Company Offers Fence Service Expertise for Residential Homes in Chicago

September 14, 2023

September 14, 2023 -
Windy City Fence Company, a company based in Chicago, IL, that offers custom-designed solutions for fencing projects, is offering their undisputed expertise in residential fencing in Chicago and neighboring areas. They are ready to offer custom-designed fencing solutions for whatever design or topography, from temporary fence installations to long-term installations.

A spokesperson for Windy City Fence Company says, ?At Windy City Fence Company, we are not just your typical fencing company. We take great pride in creating beautiful yet reliable solutions that enhance the aesthetics of your home or business?s exterior while providing you with lasting security. Our experienced team specializes in utilizing advanced materials designed to stand up against extreme weather conditions, from hurricane-force winds to heavy snowfall and everywhere in between ? allowing you peace of mind that your fencing structure will remain intact year after year.?

For residential fencing, they can offer arbors & lattices, chain link fences, Chicago ornamental iron, composite material fence, dog kennels, iron railings, mailboxes, vinyl fences, window guards, wood fences, wrought iron fences, and more. Arbors and lattices can add charm and elegance to the home?s outdoor living

space. These can be employed to produce attractive garden entrances, improving the landscaping, or provide a beautiful, shaded area for outdoor seating. They can offer a wide range of materials and styles to choose from, such as wood and vinyl.

Windy City Fence Company can also provide chain link fences, which are a cost-effective and reliable fencing solution. They are leading provider of chain link fences in the area. Chain link fences are one of the most preferred choices for residential, commercial, and industrial settings because they provide the perfect balance of durability, affordability, aesthetic appeal, and low maintenance.

Meanwhile, they can also provide Chicago ornamental iron, which can be employed for creating a wide range of designs, such as intricate shapes and patterns that are appropriate for the home. Ornamental fencing is often a popular choice of homeowners in Chicago due to its durability and timeless elegance. They can provide a broad variety of ornamental iron fence styles, including contemporary and classic designs. It is often a popular choice because it has low maintenance needs. It doesn?t need staining or painting and it is extremely durable and capable of withstanding even extreme weather conditions without corroding or rusting. As long as proper maintenance is provided, ornamental iron fencing may be able to last for up to 50 years.

Windy City Fence Company can also provide composite material fence installation, replacement, or repair, offering a broad variety of composite material fences. The composite material fence is one of the strongest materials available. Fiberglass fence panels have been known to survive harsh weather conditions, which also looking attractive. Composite material fences are made of woven wire and solid boards but the composition of the fence can be modified to suit specific customer needs and preferences.

Another type of fence that they can provide are in the form of iron railing. Iron fences can be used to create an attractive outdoor space for the home. Iron fences are also capable of withstanding heavy rain and high winds. In addition, they are relatively low cost compared to other fences.

Launched in 2011, Windy City Fence Company is a fully insured, bonded, and licensed, family-owned and operated company with a group of fencing professionals with a total combined experience of over 25 years. They have the ability to handle any type of fencing project and offer a free no-obligation estimate and a guarantee for any project they undertook. The provide a comprehensive variety of fencing products and installation services, including custom-made fences. They have two showrooms and have some of the largest inventories of fencing products. They have been serving the residential and commercial markets, including some of the biggest companies in Chicago, including business executives, athletes, celebrities, and federal, local, and state governments.

Those who are looking for a commercial or residential fencing provider in Chicago and surrounding areas can visit the Windy City Fence Company website or contact them on the phone or through email. They are open from 9:00 am to 5:00 pm at any day of the week.
