Missouri Eye Consultants Welcomes Skilled Eye Doctor Logan Skrobarcek, O.D.

September 13, 2023

September 13, 2023 -
California, MO ? Missouri Eye Consultants is proud to welcome the newest member of their eye care team, Dr. Logan Skrobarcek, O.D. Dr. Skrobarcek brings his extensive knowledge and dedication to ocular disease management, surgical co-management care, and specialty contact lens fittings to Missouri Eye Consultants and will use his talents to enhance the exceptional eye care services and specialized expertise the practice offers.

Dr. Logan Skrobarcek is an accomplished optometrist who has a passion for delivering comprehensive eye care and improving the vision and overall health of his patients. He specializes in the treatment and management of retinal and corneal conditions and takes a holistic approach to comprehensive eye exams, seeking to uncover underlying systemic health issues that may affect the eyes. Dr. Skrobarcek's empathetic and patient-centered approach has earned him a well-deserved reputation for going the extra mile to ensure his patients' well-being. With the addition of Dr. Skrobarcek to their team, they are excited to continue providing the community with unparalleled eye care services.

"We are excited to welcome Dr. Logan Skrobarcek to our Missouri Eye Consultants family," said Dr. Chris DeRose, a highly respected doctor at Missouri Eye Consultants. "His expertise and experience contribute significantly to our commitment to delivering all your eye care needs in one practice. We look forward to working alongside him as we continue to put patients first and help our community look, see, and feel better with healthy eyes and vision."

Dr. Skrobarcek's journey to becoming a member of Missouri Eye Consultants is filled with impressive accomplishments. He completed his undergraduate degree in biology at the renowned Texas A&M University and went on to pursue his Doctor of Optometry at the University of the Incarnate Word Rosenberg School of Optometry, located in his hometown of San Antonio, TX.

In addition to his academic achievements, Dr. Skrobarcek actively participated in two optometric mission trips to Guatemala with Missouri Eye Consultants? Kindsight 2020 program, showcasing his commitment to giving back to underserved communities and making a positive impact on people's lives.

"I am thrilled to join Missouri Eye Consultants and be part of a team of talented optometrists and passionate staff who genuinely care about their patients' well-being,? Dr. Skrobarcek said. ?From the moment I crossed paths with Missouri Eye Consultants, particularly during our mission trips to Guatemala, I knew they were a practice that embodies compassion, dedication, and excellence in eye care. Joining their team now, I am truly inspired to contribute my skills and passion to continue their mission of providing exceptional care to our community."

Outside of his professional pursuits, Dr. Logan Skrobarcek enjoys spending quality time with his wife and avidly participates in competitive tennis leagues and tournaments. His love for the outdoors is evident as he enjoys exploring with his two Dalmatians and cat. Dr. Skrobarcek's diverse interests extend to traveling, cooking, and cheering on his beloved Fightin' Texas Aggies.

As a member of the American Optometric Association and the Missouri Optometric Association, Dr. Skrobarcek actively contributes to advancing the optometry field. His publication in Ocular Neurophysiology is a testament to his commitment to staying at the forefront of optometric research.

Dr. Logan Skrobarcek will start seeing patients at their California office on August 1, 2023. With his expertise, compassion, and dedication to patient care, Dr. Skrobarcek is set to play a pivotal role in furthering Missouri Eye Consultants' legacy of excellence in eye care.
