

JumpOrange, Leading Inflatable Water Slide Manufacturer, Unveils Exclusive "JEM Club" Membership Rewards Program

September 18, 2023

September 18, 2023 - PRESSADVANTAGE -

JumpOrange, the leading inflatable manufacturer in the United States, announces the launch of its groundbreaking rewards program: the JEM Club. This members-only club elevates JumpOrange's commitment to providing exceptional value and quality, setting a new benchmark in the industry for customer-oriented initiatives.

"JEM Club is more than just a rewards program; it's an entire ecosystem meticulously designed to provide tangible benefits and empower our members," a JumpOrange spokesperson said. "With unique advantages like exclusive discounts, free shipping, and specialized marketing tools, we're not merely setting the bar, we're raising it. JEM Club is set to transform the way businesses in the party rental sector buy inflatables for sale."

With the JEM Club, exclusivity is the name of the game. Members gain unparalleled access to a suite of benefits, including discounted prices and special deals that are off-limits to non-members. This exclusive arrangement ensures that members of the JEM Club are a step ahead in the competitive market of commercial inflatables for sale. The exclusivity extends to various events and sales, as JEM Club members are the only customers privy to special promotions and product launches.

Members no longer have to haggle or wait for seasonal promotions to make a purchase. JEM Club offers a straightforward 15% discount off the regular price of all commercial units for an entire year. This allows members to shop at their convenience, adding ease and simplicity to the buying process.

The inconvenience and cost of shipping can often deter potential buyers or significantly inflate the final cost of a product. JumpOrange's JEM Club mitigates this challenge by offering unlimited free terminal shipping with

no minimum purchase requirement for a full year. Moreover, when a member purchases three or more commercial products, they are automatically upgraded to free home delivery, further enhancing the customer experience.

JumpOrange's concierge service embodies the idea of reimagined customer service. JEM Club members have exclusive access to an array of marketing tools, personalized recommendations for inflatable purchases, and general business advice. This benefit underscores JumpOrange's reputation as an inflatable manufacturer fully invested in its customers' success. With a dedicated concierge service, JEM Club aims to bolster businesses and help them thrive in the highly competitive party rental market.

At an annual membership fee of just \$695, the JEM Club provides a cost-effective solution for businesses looking for high-quality commercial inflatables. With features like significant discounts, free shipping, and business-boosting tools, the membership essentially pays for itself in the long run. This value proposition is backed by the club's high renewal rate, making it one of the most sought-after loyalty programs in the industry.

JumpOrange has emerged as the go-to name for commercial inflatables for sale in the United States since its founding. The company specializes in inflatable water slides, obstacle courses, bounce houses, and other related products. With an unwavering focus on quality, customer satisfaction, and innovation, JumpOrange has carved out a niche for itself as a powerhouse in the commercial inflatables sector. The introduction of JEM Club reinforces JumpOrange's market leadership and paves the way for an even more customer-centric future.

To become a JEM Club member, prospective customers can sign up through the JumpOrange website. Once registered, members gain immediate access to a host of exclusive benefits and join a community that enjoys the best of what JumpOrange has to offer. The company is also offering an online special of \$75 off the user's first order when they input their email address using the company's pop-up form.

The company has worked diligently to build a positive reputation with its commercial clientele and has earned many 5-star ratings on its official Google Business Profile. Commercial client Good Time Bounce said, "Show stopping products and customer service to match! Brigitte has been extremely helpful and supportive through two purchases and my 100 questions were met with quick, knowledgeable responses! Alan was also great and went above and beyond for us!"
