Sarah James Jazz Merch, a company based in Hoboken, NJ, is happy to announce they have added the Blue Moon Girl Nothing Will Stop Me tee shirt to their new line of NYC graffiti tee shirts. The graffiti that is featured in this line of tee shirts were encountered by jazz singer Sarah James while roaming the streets of NYC, in Brooklyn, and the landscapes of Costa Rica. She found the Blue Moon Girl image on the side of a big metal newspaper dispenser in New York. What caught her attention was the blue halo surrounding the very strong hair design of the girl and her upraised hands indicating that she is committed to accomplishing her goals and will never give up. It is available in various sizes, ranging from S to 3XL. It is also available in various colors, but this tee shirt is only available for a limited time, and it is not available in stores. More about the tee shirt can be gleaned from <https://www.gearbubble.com/bluemoongirlnothingwillstopme>.

Sarah James is a jazz singer who has her own record label, Kilimanjaro Disques. But her interest is not just in music. Her vision as an entrepreneur and her interest in fashion and art, in addition to jazz music have inspired her to curate a collection of graffiti tee shirts that feature various kinds of graffiti she has encountered in Brooklyn, New York City, and Costa Rica.
