Sarah James Jazz Merch, a company based in Hoboken, NJ, is pleased to announce the addition of the Everyone Has an Opinion long sleeve tee shirt to their new line of NYC graffiti tee shirts. The Everyone Has an Opinion image was one of the graffiti Sarah James found while roaming around the East Village and the Lower East Side of NYC. She found it on the side of a newspaper dispenser while it was not yet modified, scribbled on, or torn by someone who wanted to alter the image. Just like the other tee shirts in this line of NYC graffiti tee shirts, this tee shirt is made from 100 percent cotton to ensure that it is soft and comfortable to wear. More information about this particular tee shirt can be gleaned from <https://www.gearbubble.com/everyonehasanopinion>.

Graffiti can be found in various places in New York City, and it became recognized as an art form in the early 1970s.
