Northern Colorado Fireplace Servicing Company Northco Fire Announces The Upcoming Launch Of Its Newly Redesigned Website

September 27, 2023

Fort Collins, Colorado - September 27, 2023 -
Northco Fire, a premier fireplace servicing company serving Fort Collins and Northern Colorado, has announced the launch of its upcoming updated website design, offering all the information local customers need about its range of fireplace services.

Whether homeowners have a traditional wood-burning fireplace with a gas conversion or a more modern gas fireplace, Northco Fire provides all the fireplace maintenance services needed to keep them burning brightly and safely for years to come. Now, with its impending website redesign, customers will be able to easily get up to speed with the vital information they need about fireplace maintenance, learn more about what the company can do for them, and quickly find contact information to call the experts at Northco Fire.

?The design of the new website was inspired by captured user data and heat mapping tools,? says the spokesperson for Northco Fire. ?The changes will include an enhanced user experience, a more intuitive booking system, and a streamlined interface. Follow us to stay updated when the new website goes live and, as always, call us if you are facing any problems with your home or commercial property?s fireplace. You can

also visit our website to browse through informative resources about your property?s fireplace such as how to prepare it for Spring, the top 7 items to never burn in a gas fireplace, fireplace maintenance tips, and more.?

Founded in 2012, but operating long before then, Northco Fire has provided services for all brands of gas fireplaces/stoves in Northern Colorado since 2000. The company?s relationships with part suppliers ensure that its technicians can solve all problems with their customers? fireplaces, quickly and efficiently. Having worked on all projects, large and small, the company?s technicians have experience with fireplaces in a variety of styles, shapes, and sizes, even outdoor firepits, and have earned the company a reputation for excellence from its customers.

Northco Fire has been repeatedly praised by its customers in Fort Collins and surrounding areas for delivering high-quality fireplace maintenance and repair services. The company even boasts a perfect 5.0 out of 5.0 overall rating on its Google Business Profile from over 125 reviews with customers noting the meticulousness and skill of the company?s professionals, its stellar customer service, and assured results.

A recent review says, ?We just had our gas fireplace serviced by Northco Fire yesterday. Our service tech, Joel, was AMAZING! He was polite, and clean, and educated us on how to maintain the fireplace between servicing. This company provides true honest work and we couldn't be happier with the service Joel provided?. The all-over experience was positive and we will continue to use Northco for all of our fireplace needs in the future. Thank you, Joel! You were awesome and the fireplace just sparkles!?

Another customer writes, ?Brian did a wonderful job repairing my fireplace and getting it set up properly. He discovered multiple things that the installer didn't do correctly and promptly fixed them. He also gave great advice for running the unit properly. He also has a great personality and sense of humor. I highly recommend Northco Fire.?

The company stands behind the repairs it does. The valves it installs are covered with a 1-year warranty with a labor warranty for the first 90 days. Electronic parts are covered with a 90-day product and labor warranty. Switches and small parts such as over-temp switches, spill switches, glass safety switches, and toggle switches are covered with a 6-month warranty.

Northco Fire charges a $169 per hour service fee with a 1-hour minimum for all service calls. After the first hour, the company will prorate the charge to the nearest quarter hour. Weekend service rates are $269 per hour and the emergency service rate, depending on availability, is $325 per hour. The company charges a nominal travel charge for service calls outside of its designated service area.
