# Replica Furniture Siesta Outdoor Furniture Now In Stock Online

*October 10, 2023*

October 10, 2023 -
Brisbane based Replica Furniture is pleased to announce the addition of several high quality sets to their collection of outdoor furniture, particularly the addition of more outdoor furniture products from Siesta. The Siesta product range features high-quality products made in Europe (using materials that are specifically designed to withstand harsh Australian conditions).

They come with a 3-year warranty and are available at Replica Furniture for sale in Australia only. At Replica Furniture, there are countless outdoor furniture options to choose from, and they are proud to add more of the incredibly popular Siesta range to their collection.

One of the most popular products Replica Furniture has in stock is the Vegas Outdoor Table by Siesta, a large 260 or 300 cm table. Replica Furniture says, ?The Vegas Outdoor Dining Table Large is made in Europe and comes in black, white or anthracite grey. This fantastic dining table is made by Siesta and is ideal for use on the outdoor patio, deck or more formal outdoor areas. This plastic outdoor dining table is made from weather resistant resin and is UV resistant. This table will not rust or decay and is ideal for use in the Australian outdoors. This large Vegas outdoor table matches perfectly with our Air chairs and Air bar stools and other outdoor chairs in our range.?

The table, like all of Replica Furniture?s products, can be dispatched next business day. Customers in Brisbane, Sydney, Gold Coast and Sunshine Coast are generally able to receive their tables within 24 hours, with other regions requiring no more than a few days. Customers will find, and many have already noted, that Replica Furniture places a great deal of emphasis on competitive pricing. The Siesta Vegas Outdoor Table is priced at $949.00, an incredibly low price considering the quality of the product.

Another Siesta product that is proving to be very popular is the Siesta Air Chair - Made in Europe. This chair is made with commercial use in mind. It is made of polypropylene in a single piece injection mould and features glass fibre reinforced legs. The Air Chair is designed to withstand up to 150kg and offers a combination of comfort and sturdiness rarely found in outdoor chairs. The Air Chair invites homeowners to

enjoy café comfort at home in any outdoor space. The chair?s waterfall seat edge and rounded back support make it perfect for an afternoon in the sun and its durable design is guaranteed to withstand Australian conditions.

There are countless other high-quality outdoor furniture products available at Replica Furniture, from Siesta as well as other manufacturers, all of whom are known to produce some of the best furniture in the country. Replica Furniture invites customers from across Australia to browse the store?s large collection. They have something for everyone, and the products they stock are guaranteed to be of high quality. Hundreds of 5-Star reviews point to the company?s commitment to offering not only the best products on the market but some of the best customer service that might be found anywhere in Australia.

One such review from a pleased customer who purchased dining tables and received them within three days says, ?I have been hunting for the right dining chairs for approximately six months now. By complete fluke, I was introduced to Replica. I could not be happier! The service we were provided was beyond brilliant! A really quick response to an online enquiry followed by a personal text message with more information and photos for me. We live in regional QLD, so imagine my surprise when I was notified my chairs would be arriving just two full days after ordering them! The chairs are so great, very happy with the product, and they were safely packaged for their trip north. Replica, you guys are great and have a lot to be proud of!?

Visit Replica Furniture?s online store to have a look at their collection of high quality outdoor furniture in stock now. Customers can also visit their Brisbane showroom where their friendly staff are always happy to help anyone find the perfect new piece for their home or commercial space.
