A recent review says, "From start to finish I'm really pleased we chose All Floors for all our flooring needs. From the welcoming & knowledgeable staff in the showroom to the fitters who all went over & above & had great attention to detail. I'm really pleased with the quality of flooring chosen throughout & prices we paid. Communication from the team was very timely & nothing was too much trouble, I would highly recommend All Floors to anyone needing flooring from carpets to LVT & I will definitely use them in the future."

Another customer writes, "We went to All Floors as recommended by a friend. They provided a professional, prompt service and offered premium products to choose from. The flooring has a Lifetime Guarantee. We were able to take home large sample boards to see how the floor would actually look in situ and this helped with making our choice. We needed part of the flooring raised to make it all one level and this was completed by All Floors too. All the workmen were hardworking and tidy. We are delighted with the final result and are likely to return to have our stairs and landing carpeted."
