Nicola B. says about their experience with AllFloors, "We went to AllFloors, as recommended by a friend. They provided a professional, prompt service and offered premium products to

choose from. The flooring has a Lifetime Guarantee. We were able to take home large sample boards to see how the floor would actually look in situ, and this helped with making our choice. We needed part of the flooring raised to make it all one level, and this was completed by AllFloors, too. All the workmen were hardworking and tidy. We are delighted with the final result and are likely to return to have our stairs and landing carpeted. As a bonus, they also accept the Blue Light card, so we got a discount! Thank you.?
