He came to the house on time and had everything we needed and was well prepared to answer any questions we had. We quickly agreed on a price and installation date, which was met without any issues at all. Nathan and Ben fitted our carpets and were professional, friendly, reliable, respectful, and excellent communicators. They did a great job and even finished earlier than originally planned as they wanted to get the job done for us quickly, which we appreciated. They really will go above and beyond. I highly recommend Johnny and Clever Carpets as carpet providers and Nathan and Ben for getting them fitted. Fantastic quality carpets and service from all! 10/10"
