We had searched for months for my fiancé?s wedding band, and after doing some online digging - we found it at Elite Jewelers and for an amazing price. Our only issue is we live on the other side of the country. Edwin & Ashley corresponded with me via texts (so helpful) to send photos, videos, all the information I wanted about the ring & even sent over easy, safe link for me to purchase online. Once I purchased his dream ring, Edwin got it show room ready and shipped off that same day. It arrived at our house in NC the next day. I really can?t say thank you enough for that. We look forward to working with Elite Fine Jewelry again.?
