

Lone Wolf Exteriors Launches "Windows of Opportunity Fall Window Replacement Event" in Dallas Fort Worth

October 03, 2023

LEWISVILLE, TX - October 03, 2023 -
Lone Wolf Exteriors is providing homeowners in the Dallas Fort Worth Metroplex and surrounding areas five star window replacement services for Fall. The Lone Wolf Exteriors "Windows of Opportunity Fall Window Replacement Event" features free consultation and quoting on energy-efficient windows and low-maintenance siding for North Texas homes.

"The Windows of Opportunity Fall Window Replacement Event is all about helping homeowners replace their old and inefficient windows in the Dallas, Fort Worth and surrounding areas with beautiful, quality high-performance insulated glass windows that will save energy, increase home value and quality of life at a reasonable price with five star service," says Ethan, Lone Wolf Exteriors representative.

"Lived my experience with Lone Wolf and my windows look amazing! They did a total of 21 windows and the recommendation of the sales agent was outstanding. The job was done in a timely manner and the team was

extremely professional (as I work from home)," Monique Onwe, customer of Lone Wolf Exteriors.

Lone Wolf Exteriors is a home exterior renovation company based in Lewisville Texas that specializes in window replacement, door replacement, siding replacement and roofing replacement. They are proud to be a leading provider of custom-crafted, US-made high quality replacement windows. Their energy saving windows are custom built by leading window suppliers Mezzo Windows to ensure home and business owners can enjoy superior quality and energy efficiency year-round. Lone Wolf Exteriors offers a wide range of window options for Texas homes of any style that include double-hung windows, sliding windows, picture windows, special shapes, casement windows, awning windows, bay and bow windows, garden windows and other custom windows. Their window offerings allow homeowners to choose from design options including patterns, profiles, flat grids, contoured grids, v-grooved cut glass, simulated divided lites, flat casing and brickmould. Lone Wolf Exteriors gives homeowners in Texas quality replacement windows with ultra-efficient insulating glass in two high-performance insulated glass packages. The first is ClimaTech® with insulating low-E glass, argon gas, and the Intercept® Warm-Edge Spacer System. The second package is ClimaTech® ThermD with insulating low-E glass, argon gas, and a stainless-steel Intercept Warm-Edge Spacer System. All Mezzo include with a limited lifetime warranty, with the option to purchase a glass breakage warrantyand a 10-year fade-resistance warranty on all FrameWorks Color Collection exterior finishes. Mezzo windows also meet stringent ENERGY STAR requirements.

Lone Wolf Exteriors also provides durable and affordable Prodigy Next Generation Insulated Siding with superior energy efficiency. Their Cedargrain vinyl panels with interlocking features enhance the R-value of a home for year-round energy savings and aesthetics. The environmentally-friendly cedargrain vinyl panels feature abundant resources and synthetic materials that do not contribute to the depletion of valuable forest ecosystems.

Lone Wolf Exteriors is also a proud partner of Kickstart Kids, which offers high-quality martial arts instruction during the school day to adolescents navigating the difficult middle school and high school years.

Lone Wolf Exteriors provides window replacement service, siding replacement, door replacement and roofing replacement throughout North Texas including Dallas, Fort Worth, Arlington, Plano, Garland, Irving, Grand Prairie, McKinney, Frisco, Mesquite, Carrolton, Denton, Richardson, Wichita Falls, Lewisville, Allen, Flower Mound and surrounding areas.
