Surreal New Year's Eve has announced that the New Year's Eve celebration that will be held at the Hilton Chicago on Michigan Avenue will include a discount promo. The annual event is slated for Dec. 31 and will feature music by such names as DJ Jay Funk, DJ PM, and more.

Brian Pfeiffer, organizer for the event, states that it will be "The best celebration we've hosted yet." In correlation with the upcoming event, the company has begun offering a discount for those who purchase their passes early.

Pfeiffer states that they are offering a promo code to be used by guests of Surreal NYE. The promo code "Surreal" will give attendees \$5 off the normal price of admission. He says that the discount is being offered as a means of helping attendees to begin celebrating just a bit early, by enjoying a little price cut on their admission.

guests.

The promotional code can be used to purchase tickets before the event, and Pfeiffer states that those interested in attending should get their tickets now. "We're expecting a lot of people to attend so if you wait too long, you may not get a ticket at all." He says that tickets are currently on sale and can be purchased via the website for the event.
