Nurses interested in working with NurseRegistry may learn more here: How To Apply At NurseRegistry

Working with NurseRegistry is simple. Nurses receive SMS text alerts with they are matched with a shift or patient. Then, they have the choice to accept the shifts they prefer. Payments are quick too, with most being made the following week.

When asked about the notable benefits of working with NurseRegistry, the company's CEO, Melissa Fischer, mentioned, "We give the freedom to create your own schedule, set your own rates and you retain the ability to accept or deny job placements. Along with that, we give fair compensation for late client cancellations and have a dedicated support team should you ever need it."

The nurse staffing options offered by NurseRegistry are tailored to the unique requirements of each medical

facility. NurseRegistry has accommodated over 675,000 hours of nursing shifts in a variety of settings, including drug and alcohol rehabilitation centers, hospice, assisted living, and skilled nursing facilities.

The nurses who work with NurseRegistry notably possess a variety of specializations, such as administering IV therapy, surgical nursing, and rehabilitation nursing (alcoholism, eating disorders, etc.), including hospice care, mental health nursing, and more. Since the company is appreciative of the expertise and dedication it takes to wield such skills, they take an active role in ensuring every nurse can enjoy the benefits of working at NurseRegistry.

Testimonials from nurses who work with NurseRegistry include statements such as, ?Flexible hours, generous pay, great staff to work with, and of high integrity. An excellent company. I have worked with them over 6 years,? shared by Andrew C., RN. Another nurse, Dolores D., LVN says, ?Everyone has always been more than accommodating, informative, and reliable. I have already referred 2 RN friends of mine, and they also, are very happy with NurseRegistry.?

Yet another positive recommendation comes from Karen Angela P., RN, who says that they are ?The best agency I?ve worked with so far. They are amazing, especially when communicating with their staff needs. I recommend this to all nurses who are looking for full time or part time jobs!?

The application process for nurses to join NurseRegistry is straightforward and streamlined. First, nurses must apply online by filling out a nurse profile and uploading a valid nursing license. Second, they must upload additional required certification and health documents, such as their BLS card, medical documentation, proof of liability insurance, and resume. Finally, they must authorize NurseRegistry to run a background check.

To learn more about NurseRegistry or submit an application, nurses may visit the staffing agency?s official website. The company can also be contacted via phone or email for further information. See more here: Begin Your Application.
