A number of customers have left positive reviews of Clever Carpets & Flooring on various platforms. One customer shares, ?I spoke with Johnny around looking at some carpet samples and getting a quote. He came to the house on time and had everything we needed and was well prepared to answer any questions we had. We quickly agreed on a price and installation date, which was met without any issues at all.?

The review continues, ?Nathan and Ben fitted our carpets and were professionally, friendly, reliable, respectful and excellent communicators. They did a great job and even finished earlier than originally planned as they wanted to get the job done for us quickly, which we appreciated. They really will go above and beyond. I highly recommend Johnny and Clever Carpets as carpet providers, and Nathan and Ben for getting them fitted. Fantastic quality carpets and service from all!?
