December 22, 2015 - PRESSADVANTAGE -

Anders Eriksen, who runs Your-World-Savings.com, is proud to announce that he has now launched a Facebook page that lists the wealth of savings he has been able to find for Christmas deals. The Facebook page is an addition to the regular website, which is a hub designed to keep people supplied with the latest and greatest deals on the internet. The Facebook page can be accessed at <https://www.facebook.com/Yourworldlysavings/>.

Anders Eriksen says: "Christmas is about giving and receiving alike. It is the time of all hearts, and all their love. Unfortunately, Christmas is also very expensive. I'm so happy to have launched the Facebook page just in time for the holiday season, enabling people to get a really good deal and share in the magic of Christmas without having to worry about how they will also put food on the table."

Eriksen has also started a new Twitter account that can be seen at <https://twitter.com/anderseriksen10>. This is another opportunity for him to share deals as he finds them and as they happen. He has already built up a significant following of people who are excited to see the various deals he comes up with. Naturally, time is ticking, as Christmas is only just around the corner.

The latest deals available through the company's website, Facebook page and Twitter account focus on flights, books and heavenly gifts. They are proving to be incredibly popular. "So guess what I was able to get myself and the family for Christmas," says Sarah T. "Only a vacation to the Bahamas. No Christmas in the damp and gray for us this year. Thanks to Anders Eriksen's information, we will be spending family time on a beach, in the sun. And the deals I found were so cheap that I have enough money left for a couple of presents while we're there as well. Best Christmas."

People are encouraged to give the Facebook page a 'Like' and to follow the Twitter account. This will enable them to always remain up to date with new deals. Additionally, it will make sure they can join in the conversation with Eriksen himself.
