December 16, 2015

December 16, 2015 - PRESSADVANTAGE -

PeaceMindAuto.com aims to offer only the best to their customers, winning over the fact that the cars they are selling are pre-owned ones. Still, the business makes a point of pride to get the best used cars for affordable prices. Especially now that they have garnered a top spot in Google's page 1 for the search term, "Buy Used Car Ft. Lauderdale," they are set on taking things to a new level that will highlight their company even more, particularly on the web.

The company sets their focus on acquiring the best pre-owned cars. They choose the most outstanding ones that come from overstocked dealer inventories and sell them to the public at the lowest available price. Peace of Mind Auto takes pride on how the cars they offer are inventoried by a professional bond dealer. To top it all off, the vehicles also carry a trifold warranty of 3 months at 3000 miles.

The pre-owned car selling company is a traditional one as their form of advertising is not by utilizing public mediums but personal ones. Peace of Mind Auto owner Hugh Hardy expressed that they are all about the personal approach and not so much on the loud and booming fanfare.

"If you want to buy used car Ft. Lauderdale, we sell every day cars at such low prices. We are embarrassed to advertise, so we rely on our reputation as former mechanics that care about our customers, and want them to get the best car for their money. Our best advertising is our reputation and word of mouth. We sell cars at a fair price that we know will hold up, and give the customer a fair value. These cars are not new, but since we have mechanical background we only buy cars that we know offer a great value,"

For those who are interested to buy used car, they can contact Peace of Mind Auto by dialing (954) 628-2254 or by visiting the shop at 744 N Andrews Ave., Fort Lauderdale, FL 33311.
