

CE Foot & Ankle Clinic Will Be Participating in The 2023 Community Health Fair and Senior Mobility Day

October 20, 2023

Nashville, TN - October 20, 2023 -
GOODLETTSVILLE, Tenn.- TriStar Skyline colleagues invite you to join a free Community Health Fair and Senior Mobility Day. Cutting Edge Foot And Ankle Clinic will have an informational booth at the event regarding their practice.

Community Health Fair and Senior Mobility Day will be held from 9 a.m. to 1 p.m. at the Delmas Long Community Center?s gymnasium on October 19, 2023. Attendees will be given the opportunity to participate in interactive activities, talk with specialty healthcare experts, and work with physical therapists to access their mobility level and determine their need for assistive equipment.

Specialty healthcare experts from Cutting Edge Foot And Ankle Clinic will be providing education on foot and ankle care, provider information, and services they have to offer. Morgan Hubble, FNP-BC, of Cutting Edge Foot And Ankle Clinic will be at the event providing free diabetic foot exams for the attendees. Podiatrists play a vital role in the early detection and treatment of foot problems in people with diabetes. A diabetic foot exam can help detect serious problems that can lead to infection and amputation if they are not found and treated right away.

?I love giving back to my community and sharing my knowledge on foot health! I enjoy this event so much because it gives the attendees an insight as to why foot health is so important and what we can provide for them. My team at Cutting Edge Foot And Ankle Clinic and I look forward to this event every year,? said Morgan Hubble, FNP-BC.

Morgan Hubble is a ANCC board certified Family Nurse Practitioner. She attended the University of Saint Francis in Fort Wayne, Indiana where she received her bachelor?s degree in Nursing and then went on to obtain her master?s degree in Nursing with a concentration as a Family Nurse Practitioner. Morgan believes everyone deserves high quality foot care and she strives to give just that. She specializes in routine foot care including nail trimming, callous and corn removals, fungal treatments, ingrown nails, diabetic foot examinations, and so much more. Morgan has a strong passion for caring, serving, and helping her patients with various foot ailments to provide relief and comfort.

Dr. Yerusalem Lanier, co-founder at CE Foot and Ankle Clinic, is known for her dedication to healing the world one step at a time by relieving pain, improving function, treating infections, and preventing life-threatening complications in the field of Podiatry. She is a graduate of Kent State Ohio College of Podiatric Medicine and a former resident of Podiatric Medicine and Surgery at St. Vincent Hospital in Worcester, Massachusetts. Dr. Lanier?s compassion for Podiatry and her patients has led her to be named Nashville?s ?Three Best Rated? in the field of Podiatry.

Dr. David Farnen, co-founder of CE Foot and Ankle Clinic, brings a strong enthusiasm and commitment for research to the partnership. He completed his bachelor?s degree in Biological Sciences from the University of California, Irvine, and obtained his doctorate degree from Rosalind Franklin University of Medicine and Science/Chicago Medical School in Chicago, Illinois. His surgical residency training took place at Eastern Virginia Medical School and the Sentara Hospital healthcare system. Dr. Farnen is board-qualified by the American Board of Foot and Ankle Surgery and board-certified by the American Board of Podiatric Medicine, specializing in limb salvage, wound care, and hyperbaric oxygen therapies.
