October 25, 2023

Keller, Texas - October 25, 2023 -
Milestone College in Keller, TX, is thrilled to announce its upcoming Preview Day, scheduled for Wednesday, October 25, 2023, from 9:00am to 3:00pm at its campus located at 201 Mount Gilead Road. This specially curated event is designed for prospective students and their families to gain a comprehensive insight into the vibrant academic and spiritual environment that the institution has to offer.

Attendees will have the opportunity to experience life as a Milestone College student, from the academic rigor in the classrooms to the hands-on ministry exposure at Milestone Church. One of the key highlights of the event will be the chance for prospective students to sit in on a class, engage with esteemed faculty, and interact with current students. Additionally, attendees will be offered a comprehensive tour of the state-of-the-art facilities, further acquainting them with the environment that facilitates learning and spiritual growth.

Milestone College, while being an academic institution, is also a calling. It understands the importance of equipping students not just with academic excellence but also with real-world ministry training. Its unique educational model, in collaboration with Oral Roberts University, allows students to pursue a bachelor's degree from a recognized institution while also gaining ministry experience at Milestone Church. This dual approach not only ensures a well-rounded education but also prepares students for a life of influence,

grounded in faith and practical expertise.

Furthermore, the affordability aspect of Milestone College stands out, as the Oral Roberts University tuition at this teaching site is priced below $10,000 per year. This rate is notably lower than the average private four-year college, making it an attractive proposition for families looking for a blend of quality education and value for money.

The upcoming Preview Day on October 25th is not just another event; it's a transformative experience. Prospective students and families will have the chance to visualize their potential future at Milestone College, meet individuals who share similar passions and aspirations, and understand the myriad opportunities that await them at this esteemed institution. It's also worth noting that students who attend the event will be provided with a signed form from Milestone College detailing their participation, which can be presented to their respective schools for an excused absence.

Milestone College cordially invite all aspirants ? ministry leaders in the making, educators of tomorrow, and those who seek to make a difference in the world ? to participate in this special day.
