Dolan Roofing & Construction, a roofing services provider based in San Antonio, TX, has sponsored a Pastors Appreciation Luncheon that was held on September 26, as a way of giving back to the community. The company that provides services for roofing San Antonio property owners can rely on, has recently sponsored the luncheon event that hosted by AM 630 The Word. The keynote speaker for this event was Pastor Max Lucado, who is serving the Oak Hills Church in San Antonio. The Dolan team led by Brandy Dolan and Charles Price was excited to be part of the event. It was a way of giving back to the community they have been serving regularly and it allowed them to interact with many of the local pastors in their area, including those who had worked with them in the past.

Pastor Lucado, who is a talented speaker and writer, delivered a sermon that focused on his book, ?Anxious for Nothing,? which was released in 2017. His sermon provided many useful and actionable advice, with the primary theme of encouraging people to discover ways to focus on gratitude to help them center themselves and relieve the anxious feelings that are common in today?s society.

There were also other speakers, such as Chad Gamage from Salem Media, who was the emcee for the event. Chad is a member of the Samaritan?s Purse, which is a nondenominational, international, evangelical Christian disaster relief organization. A young woman from the organization provided testimony regarding the humanitarian efforts and impact of the organization.

Brandy Dolan and Charles Price from the roofing contractor San Antonio TX residents go to took part in the luncheon as part of the event?s vendor exhibition. This part of the event featured several businesses around San Antonio who sponsored the event and who presented exhibit booths before the luncheon. The team members met with other members of the community and spoke with many of the pastors in the event. They hosted a raffle draw that gave away two Family Fun Packs. One pack contained Topgolf reservations for a family of four while the other pack provided a dinner and a movie to the lucky winner.

Dolan Roofing & Construction was excited to join the event because they have worked with many of the churches in San Antonio and Tucson and they regarded the event as a way to give back to the community. Brandy Dolan said, ?We regarded this event as a chance to give back to and interact with the many local pastors in our area who serve our community each and every day. We?re very grateful to have been invited as it provided us with a wonderful experience.?
