Sullivan Contracting, a company base in Griswold, CT, is offering the services of reliable roofers near me in Eastern Connecticut. With an overall rating of 4.3 out of 5 stars on Google, they offer reliable roofing services for homes and other buildings in Norwich and the Eastern Connecticut area. Homeowners who have been looking for reliable roofing contractors have been going to them for their roofing requirements, whether it is simply a small roofing leak or a complete roof replacement.

George Sullivan from Sullivan Contracting says, "In Eastern Connecticut and the surrounding areas, Sullivan Contracting sets the standard for roofing services. Homeowners looking for reliable and dependable roofing contractors come to us for all their roofing needs whether it's to address a small leak or provide a full replacement service. We offer excellence in all roofing services, windows, gutters, and siding projects. We have many years of experience and can discuss the benefits and drawbacks of all the options on the table, so that you can make an informed decision when planning your project."

Their team of roofing professionals will go to the home of the client and inspect the roof to determine the cause of the problem or estimate project size in case of a roof installation. After making an estimate of the

scope of the roofing project, they will provide the client with a free detailed proposal for the cost of the project and the various details of the work to be done, whether it is a roof leak repair or a total roof replacement.

Sullivan Contracting is committed to providing excellence in all roofing services, gutters, siding, and windows projects. They have many years of experience and are able to point out the pros and cons of the different choices available to allow the client to make an informed decision when planning the project. They offer a wide range of colors and styles for the roofing, gutters, siding, and windows services.

They can also provide total roof replacement for any residential or commercial building in Eastern Connecticut. Whether it's just the replacement of an old roof or the roof damage has been so severe that a repair will not be enough, they can assure clients they will get the job done promptly and properly with the installation of a new roof. They can also provide roof maintenance services for any residential or commercial building. They can also provide routine inspections of the roof monthly. This is essential to ensure the roof is in optimal condition by fixing roof problems while they are still small, preventing them from becoming serious issues in the future.

Meanwhile, they also want to highlight the various factors that differentiate Sullivan Contracting from other roofing providers in the area. First of all, they provide 100 percent free roofing estimates. Second, they have a team of highly trained roofers who have more than 20 years of proven experience. Third, they always provide 100 percent daily clean up at the job site. Fourth, they provide an 18-point roof inspection. Finally, they are a fully bonded, licensed, and insured roofing contractor. It is also important to note that they are Top Rated at HomeAdvisor and they have an A+ rating from the Better Business Bureau (BBB).

Established in 1982, Sullivan Contracting is a family-owned and operated roofing company that has been serving homes and other buildings for more than 10 years. This roofing contractor is guided by a professional upper management team with a combined experience of more than 20 years. They are completely licensed, bonded, and insured with industry leading manufacturer warranties. In addition to roofing, they also provide decks, siding, and windows. They offer full guarantee from beginning to end and they always utilize top quality products and also provide financing options. Their service area includes Hartford, Tolland, Middlesex, New London, and Windham Counties.

Those who require the services of a roof installation or roof replacement company can check out the Sullivan Contracting website or contact them on the telephone or through email.
