

Cutter Aviation Takes Pride in Its Luxury Aircraft Charter Fleet

November 07, 2023

November 07, 2023 - PRESSADVANTAGE -

Cutter Aviation, a company based in Phoenix, AZ, wants to point out the range of aircraft that are available for on-demand air charter flights and are directly operated under Federal Aviation Regulations (FAR) Part 135. All aircraft are assured to be maintained to the highest standards by factory-authorized technicians and are flown and staffed by highly-trained, experienced, and professional pilots and flight crews. Their luxury aircraft charter jets include the Cessna Latitude medium jet, Pilatus PC-24 light jet, Bombardier Learjet 60 midsize jet, HondaJet HA-420 Wi-Fi light jet, HondaJet HA-420 light jet, and Pilatus PC-12 NG single engine turboprop.

Will Cutter, CEO of Cutter Aviation, says, "Whether your travel is for business or pleasure, Cutter Charter Flights has the experience and a diverse aircraft fleet to meet your travel needs, no matter how complex. With service from Phoenix, Arizona and Dallas and Austin, Texas metropolitan areas, Cutter Charter can take care of all your travel needs."

The Cessna Citation Latitude is a brand new aircraft from the Citation line. This super mid jet has couch seating, a stand-up cabin, and adjustable seats. It can go coast to coast or town to town and can exceed all

needs. The Pilatus PC-24 is a popular choice for those who prefer light business jet aircraft. It has a roomy cabin and comfortable seating that allow private travel to be hassle-free and relaxing. It is a highly requested option among light business jets due to its versatility and performance capabilities.

The Bombardier Lear 60 is a popular option for mid-size jets. This is due to its spacious cabin and comfortable seating that offer hassle-free and relaxing private travel. The Learjet is a medium-range business jet aircraft manufactured by Bombardier Aerospace in Wichita, Kansas. It has two Pratt & Whitney Canada PW305A engines and has a range of 2,600 sm. with NBAA 120 sm. reserve. The HondaJet HA-420 is the newest light sized jet for both personal business trips. It has a spacious cabin and adjustable seating, including class-leading quietness and storage as a result of its over the wing engine.

The Pilatus PC-12 NG is a popular choice for those who prefer turbine-powered business aircraft. The roomy cabin and comfortable seating allow trouble-free and comfortable travel. Cutter can offer complete coverage around the Southwestern US for on-demand charter and can easily serve general aviation airports throughout the country.

Cutter Aviation offers luxury executive and business charter flights for travelers in Phoenix, AZ and nearby areas. Will Cutter says, "The moment you choose Cutter Aviation to charter a private jet, you become part of a legacy that is intertwined with the spirit of flight itself. Our meticulously curated services, enhanced by our unparalleled attention to detail, open the doors to a realm where convenience, privacy, and opulence take center stage."

The Cutter Aviation team is ready to transform the kind of air travel experienced by their clients. They offer business charter flights, whether it is just a single business trip or a series of charter flights. They offer comprehensive service charter flights with seamless private flight booking and unmatched customized service for both corporate and business needs. They also offer VIP charter flights and on-demand charter flights.

Started in 1928 by William P. Cutter, Cutter Aviation is the longest-running family-owned fixed base operator (FBO) in the United States and has developed a reputation as a top provider of charter flights and aircraft sales and maintenance. The company operates at eight major airports in Colorado (Colorado Springs), California (Carlsbad), Texas (Dallas/Addison and San Antonio), Arizona (Deer Valley and Phoenix, Sky Harbor, Phoenix), and New Mexico (Albuquerque). The company is a member of the National Business Aviation Association (NBAA), National Air Transportation Association (NATA), and the Pinnacle Air Network. They are an authorized new aircraft sales dealer for Pilatus, Daher TBM, Piper, and HondaJet.

Those who plan to book an executive charter jet or charter a private jet can go to the Cutter Aviation website or contact them through the phone or via email.
