CK Electric And More Celebrates 20 Years Of Success As Fenton?s Trusted Local Electrician Contractor

October 30, 2023

October 30, 2023 -
Fenton, Missouri: CK Electric And More is a local electrician in Fenton, with a team of skilled technicians helping homeowners and businesses in the St. Louis Metropolitan area take care of their electrical needs since 2004. They serve Fenton, Valley Park, Kirkwood, Sunset Hills, Concord and many more nearby communities.

As our lives rely on electricity, the demand for professional electrical services keeps growing. Recent statistics have shown that electrical issues are one of the leading causes of household accidents. For instance, over 50,000 electrical fires occur annually in the United States, causing significant damage and risking lives. That?s why it is very important to ensure that houses and businesses? electrical systems are safe, up to code, and regularly maintained. CK Electric And More stands as an expert electrician, ensuring every electrical problem is safely and efficiently solved in and around Fenton.

At the same time, fixing electrical problems without professional expertise and qualifications can be exceptionally dangerous. It can lead to severe accidents, electrical fires, electric shocks, or even deaths. Electrical systems are complex and require in-depth knowledge to diagnose and repair effectively. CK Electric And More urges residents and business owners to cease any attempts at DIY electrical repairs for the sake of their safety and well-being.

According to the CK Electric And More team, electrical safety inspections are crucial. For this reason, their team of qualified electricians offers thorough examinations of the electrical systems of client?s houses and offices to guarantee their alignment with electrical code regulations. They also conduct any necessary repairs to meet these standards. It's generally recommended to schedule a comprehensive electrical inspection every 5-10 years. However, if clients notice any electrical issues, it's important to address them promptly, by calling a licensed electrician instead of trying to fix the problem on their own.

For almost 20 years, CK Electric And More has been providing high-quality electrical services to both houses and businesses at affordable prices, so that all homeowners and business owners can afford to have their electrical problems fixed efficiently. Their services include electrical panel installation and repair, new construction electrical installation, residential electrical installation, electrical repair, electrical wiring, appliance installation, surge protection installation, EV charger installation, and many more.

Moreover, they provide reliable remodeling electrical services to illuminate newly built spaces with brilliance and reliability. With a proven track record of transforming homes and businesses through innovative electrical solutions, they are the go-to choice for local people?s remodeling needs. Their skilled team ensures safety, efficiency, and modernization in every project. From lighting upgrades to complete rewiring, CK Electric And More delivers top-notch electrical remodeling solutions that enhance aesthetics and functionality.

The CK Electric And More team consists of highly qualified electricians with lots of experience and expertise. What distinguishes them is their dedication to staying up-to-date with the latest industry advancements and providing the best-in-class electrical services to meet the unique needs of their clients.

CK Electric And More is considered one of the best teams of electricians in Missouri, always on call to provide maintenance to electrical systems, conduct inspections, and offer documentation to ensure their clients? houses and businesses are in compliance with regulatory codes.
